GIANTS WHIP THE ANGELS AGAIN

Portland Sluggers Take Second Game From the Angels of Sunny Orange Land.

M'CLEAN'S TWO-BAGGER DECIDES THE CONTEST

Jones and Tozier Pitch Brilliant Ball but the Former's Work Was More Effective—Brashear Makes a Bad Throw That Contributes to Defeat.

(Journal Special Service.)

Los Angeles, Sept. 15.—The Portland Giants were real giants again yesterday and defeated the Angels 3 to 2 in a pitchers' struggle. Jones was in the box for the visitors and only allowed three scattered hits after the second inning.

The game started out nicely, the men going out in order in the first inning. In the second the Portland batsmen took a liking to Tozier's curves and three safe drives netted the visitors two runs. The Angels came back strong in their half of the second and a base on balls and three good hits sent Brashear and Dillon across the plate, tieing the score.

Both pitchers settled after this inning and hits were a scarce commodity. Nothing more in the run line was forthcoming until the seventh inning, when Lawrence McLean connected with one of Tozier's choicest for a double. McHale was up next and drove a scorcher in the direction of Brashear, which the big utility man grabbed and whirled to third to catch McLean. The Portland catcher, however, was in the way and as the ball couldn't pass through his anatomy it bounded off his body and rolled towards the fence. McLean never slowed up, but galloped home with the winning run.

The Angels made heroic efforts to tie the score in the eighth and also the ninth, but their sun was set, and the badly needed tally was not to be had. There was a record-breaking crowd present and the cheering for the ball players was terrific. Atz, Householder, McLean and Jones coming in for the lion's share of the applause. Captain Dillon of the home team put up a brilliant game at first base and was roundly applauded. The Angels pulled off three lightning double plays and the visitors one.

The great improvement in form of the Portland team evoked considerable favorable comment for Manager McCredie here. Essick is slated to pitch today's game and will be opposed by Dolly Gray. The score follows:

FOOTBALL CALL HAS BEEN SOUNDED

Captain David Jordan Announces First Practice for Next Sunday Morning.

MANY PLAYERS WANT POSITIONS ON TEAM

From the Big List of Candidates Registered the Outlook for a Crack Eleven at Multnomah Club Is Very Bright—List of Players.

On next Sunday morning at 10 o'clock the football squad of the Multnomah Amateur Athletic club will meet for the first practice of the season. The workout will be held in Multnomah field and from the list of applicants who are desirous to chase the pigskin for the local club this year it is a forgone conclusion that Multnomah will be well represented.

Captain David Jordan issued his call a few days ago for candidates and the responses were prompt. There is considerable new material in the club this year for football, and as there are a number of crack players in the list it will be no easy matter to get a position on the eleven. The second team men of last year are a lively and husky collection this season and it is practically certain that at least three of the positions will be filled by these players. Captain Jordan and Manager Watkins will direct the work of the men for the present, as no coach has yet been chosen. There will be no California trip this season on account of the great expense attached, but the team will have a journey to Seattle, when they meet the athletic club eleven of that city. A number of the old familiar faces will be missed from the club team this year, but the management feels that the younger blood will be able to give Multnomah a first-class representation on the gridiron. Those who will turn out on Sunday morning are: Centers, Keller, McCraken and Walker; guards, Butler, Johnson, Dow Walker and "Bud" James; tackles, "Mam" Seely and Keller; ends, Jordan, Castleman, Dowling, Griffith, Foley and Rupert; quarterbacks, I. Walker, Rupert, Stockton, Kerrigan, Sersanous and Jordan; halfbacks, Baker, Lonergan and Saunders; fullback, Breed.

It will be seen that the above mentioned players will make any team on the coast step lively. Dave Jordan will probably play quarterback this year and direct the play from that position. Jordan plays a star end and can perform at the quarterback position just as well.

Will Try to Break Records.

(Journal Special Service.)

Milwaukee, Sept. 15.—Horsemen in this city and other parts of the state are highly interested in today's racing program on the fair grounds. Audubon Boy, 2:03¾, owned by J. H. Gatcomb, of Charter Oaks Park, Connecticut, has been engaged by the fair management to try to break the state record at the fair this afternoon. The present record of 2:03¾ is held jointly by Dan Patch and his sire, Joe Patchen. The famous old pacer established that record in 1897 in a match race with Star Pointer and it was not equalled until last year, when Dan Patch duplicated the record of his sire.

Football at U. of P.

(Journal Special Service.)

Philadelphia, Sept. 15.—In response to the call of Captain Reynolds a record-breaking crowd of football candidates for the University of Pennsylvania eleven reported at Franklin Field today. The squad of last year's players returned from their preliminary training camp at Mount Pocono today in fine trim. There are two score other candidates with which to fill out the team and Captain Reynolds is sanguine over the outlook for a strong eleven.
