Dr. W. Norton Davis & Co. are an association of eminent physicians, experienced surgeons and expert specialists, with abundant capital, established in 1893, for the purpose of treating ALL CURABLE MEDICAL AND SURGICAL DISEASES OF MEN. They will accept no case for treatment except certain that they can effect a cure, nor will they make any charge in case of failure.

WHICH IS MADE OF HARD RUBBER AND IS SIMILAR TO A SPRING. Thus, without any trouble whatever, the healing process goes on while you sleep. This is also the most successful method known of treating "Frequent and Painful Urination of Men." We prescribe for each individual case, using many different formulas in craysons. If you have used a similar treatment, do not be discouraged because you have not been cured. A personal interview is desirable, but if you cannot call, write us, giving your symptoms in full. Our home treatment is successful, even in complicated cases. Strict confidence observed. Plain envelopes used in all correspondence. Instructive book for men sent free, securely sealed.
