**BOUGHT FROM THE RAILROAD TO BE SACRIFICED--WE PAID THE FREIGHT**

**Read the Following--Every Word of it; Digest it, Then Be on Hand at the Beginning of the Great Sale**

We had big days yesterday and today, but we expect a bigger day Saturday. Extra salesmen were put on for Thursday's opening of this great sale, but we didn't increase our selling force sufficiently. Some customers had to wait, but they made no complaints, as they had a good time inspecting the phenomenal values. For SATURDAY, OCT. 7, other additional salesmen have been engaged, and will be ready for you with BIG, BRILLIANT, BOOMING BARGAINS.

Come early if you can, but come anyhow. Store will be open Saturday night until 11 o'clock.

You may pull, haul and pick through this stock as much as you please. Every bit of goods you touch is a BARGAIN. Read carefully the following interesting items:
