NAMES OF LEADING TEN CONTESTANTS

In the American Manual Training Voting Contest With Standing of Each at 10 a. m. Today.

SPECIAL NOTE—We have positive knowledge that hundreds of thousands of votes are being held back by some of the contestants in the voting contest now on at the store, and as but 22 business days intervene between this and the closing of the contest on Thanksgiving Eve, we would beg the young folks to "loose up" and deposit at least a part of their hoard of votes in the boxes now that our counters may not be buried in ballots at the finish and thus delay report of result.

"The Different Store," Fifth, Sixth and Washington Streets

Store Opens at 8 A. M. **THE FOREMOST DEPARTMENT HOUSE WEST OF OHIOAGO** **Store Closes at 6 P. M.**

LIST FOR HANDY REFERENCE OF BUSY SATURDAY SHOPPERS. A SORT OF "TABLE OF CONTENTS"—WITH ILLUSTRATIONS—TO A LOOK OF MATCHLESS VALUES FOR END-OF-WEEK PATRONS OF THE "DAYLIGHT STORE."

This store closes on Saturday—as on all other business days—at 6 p. m. In line with all other latter-day retail establishments, doing store-

keeping along 20th century lines, and modern business ethics of humane treatment of employees. We willingly forego the financial advantage of keeping "open store" on Saturday evenings for the good of our helpers, believing that it not only tends toward a better observance of the Sabbath, but a better physical and mental condition for our salesfolk which insures better store service during legitimate business hours. We earnestly request our public to aid us in this movement toward betterment in storekeeping and 20th century methods by shopping by daylight. **THIS STORE IS NOT OPEN EVENINGS.** We present below for quick review of busy readers an unmatchable list of remarkable values for Saturday shoppers.

COME AND HAVE LUNCH tomorrow in the cozy tea-room on Second Floor. A popular, delightful nook for shoppers and others to lunch. Inexpensive, refreshing and restful—an ideal corner for a quiet chat with friends. A delicious, tempting menu Saturday. Auspices of Portland Y. W. C. A.	WATCHES CLEANED AND WARRANTED FOR ONE YEAR, 75c. New mainsprings 75c. All other repairing of Jewelry and Clocks at proportionately modest prices. First Floor—near large elevators.	Demonstration of Interest to Housewives—Third Floor Annex—an expert will demonstrate the advantages of the "Universal" Cake-Maker, and samples of the cake will be distributed to visitors free. This Is Portland's Largest, Foremost Garment Store for Women!
WE BUY AND SELL MORE WOMEN'S READY-TO-DON ATTIRE THAN ANY OTHER TWO PORTLAND ESTABLISHMENTS.
GRAND SALONS—SECOND FLOOR.

The above explains why we show five new styles in suits, wraps and furs for women's wear to any other local store's one. And this house, with a permanent resident buyer in New York City—and our own Miss Bernard who spends seven months of the year there—is the only Portland establishment having the facilities for showing—at all times—Fashion's latest whims in outer apparel for dressy women. Garments authoritatively CORRECT. While we do not compete with "rag-time" shops in the "cheap"—(even with the largest garment store in the city we've no room for trash) our prices are lower for equal quality than any other store on the Pacific coast quotes. The range is so wide that any purse may be accommodated. With new **TAILORED SUITS** starting at \$12.50 and running by easy stages up to \$60 with especially strong lines and grand, generous choosing at \$18.50, \$22.50, \$25.00 and \$28.50 to \$35, no woman need feel she must go to minor stores with no standing at all in the style world. One need not confine themselves to any one model, but may run the gamut that Dame Fashion generously allows her votaries for winter wear. Coats running from hip to ankle length—the longer coats having a slight preference on account of their graceful, aristocratic mien.

In By Express—Very Unusual Values in Coats
Portland's largest and leading Apparel Store for Women offers special advantages to coat buyers. It will be a sale such as seldom takes place—for a number of reasons. The aim of our organization is to prove to the most skeptical that greater values are obtainable here than elsewhere. Our stocks are very large and new arrivals are coming in daily.
