ROYAL BAKING POWDER

Absolutely Pure

Royal Baking Powder insures the healthfulness of our bread foods, making them also most appetizing. In every way the superior baking preparation.

When there are in the market so many impure and unwholesome mixtures called baking powders which, in order to produce them at a low cost, are made from alum acids or bone phosphates, consumers will wisely adhere to the Royal, whose good qualities they have proven, and whose superior purity and wholesomeness have been conclusively established by the Government food reports.
