

"Best Values"—"Your Money's Worth, or Your Money Back"—"Best Values"

Unquestionably the Greatest Values Offered in New Goods

A STORE NOTED FOR HIGH QUALITIES AND LOW PRICES

This will be found a store of high qualities and low prices. For years we have been perfecting this merchandising organization of ours, improving on this line of goods, lessening prices on that line, securing exclusive control of many new and good things, learning who are the best sources of supply and contracting with them for large quantities of goods. We consider it better to transact a large business at a small percentage of profit than to do a small business with a large margin of gain. That the public appreciates this stand, is shown by the constant increase of the number of our permanent customers. TOMORROW WE BEGIN A WEEK OF EXTRAORDINARY VALUE GIVING all over the store. Every week, every day, is as notable for fine values in Roberts Bros.' Store as for broad and splendid showings of the most wanted merchandise. You have come to expect that. But for tomorrow efforts have been extraordinary all along the line; each branch of the store has made supreme endeavor, and the result will be a week of timely offerings at prices never paralleled. Today news of the great bargains crowds an overflowing page and yet much remains untold. Each day of the week will bring forward new offerings. Don't miss coming as often as you can.
