How much will you offer for balance of Gruber Stock?

Wm. Gruber

HOW WE
CAN DO IT!

These two telegrams explain the case. We have purchased the stock of Clothing and Men's Furnishings belonging to William Gruber of Omaha. We have obtained it at the phenomenal low price of 28 CENTS ON THE DOLLAR. Do you realize what that means? It means that you can get high-grade, up-to-date furnishings and clothes at one fourth or one fifth of the regular price. If you do not believe this, we ask you to judge for yourself by inspecting our stock. Seeing is believing—and you will see that this is not a cheap sale, but the GREATEST LOW PRICED SALE ever held in Portland.
