## Here's a Store Full of "GO" and GOOD GOODS

### A Short Story

Straight to the point—but not talk MERELY. Do you know that every word we print here costs more than every word you pay for when you send a telegram? Talk isn't cheap when you talk thro' a newspaper—and yet it's the best way to get a heart-to-heart talk with the store's great public. But—back of the talk is the merchandise. Back of every claim we make are the goods to prove it. THAT MAKES EVERY WORD WE SAY WORTH ITS WEIGHT IN GOLD. That makes THIS store's advertising pay!

### Ever Seen That Good Woman Make Cake Upon 3d Floor?

Talk about the cake that "mother used to make"—well, you ought to taste the cake Miss Gilbert makes with the "Universal" Cake Mixer—and you may if you'll come up. She tells her visitors just how to make the cake so they may go home and bake it as successfully as she does. It's the best Cooking School we've ever had—and it's free to all. Come up and sample the cake—that's FREE, too. Near large elevators—Third Floor.
