POULTRY MARKET MOVES WELL

Great in the spring new crop in the chicken market there is no shifting of stocks. The channels of trade are filled up but a moment when the stocks are unloaded from the express, that is all. Demand is healthy at present values, there being an active call at all intervals at the prices listed, along with the chickens the arrivals of ducks and geese are considerable, but every one that comes in is sold before the trading for the day is ended.

POTATOES RULE WEAK ON SOUTHERN SLUMP

The potato market is ruling weak at bottom prices today. News received from the eighth today states that supplies of ordinary quality potatoes in the market are still too heavy and that prices will rule still lower if the present rate of shipments continues.

POULTRY MARKET MOVES WELL

A considerable number of sales of hogs are reported during the past 24 hours at the shipyard quotations. The demand for hogs is all dealers seem willing to buy. The surprising feature of the market is the much improved feeling in regard to old hogs.
