INAUGURAL DAY HANDICAP ON BOARDS TODAY

Thousands of Racing Fans Gather to Witness Annual Event at Crescent City.

(Journal Special Service.)
 New Orleans, La., Nov. 30.—A great crowd of enthusiastic devotees of the turf filled all the grandstands and enclosure at the fair grounds this afternoon and heard the bugle call announcing the opening of the annual race meeting of the Crescent City Jockey club. The event of the opening day, as usual, was the inaugural handicap, three quarters of a mile, 1:50.9 added.

If stables overflowing with speedy horses count for success, the meeting inaugurated today will be one of the grandest in the history of the Crescent City club. Despite the yellow fever epidemic of the past summer, the difference with rival racing organizations and several other obstacles calculated to militate against the success of the meeting, the outlook for the season is of the rosiest tint. The prominent stables throughout the country are represented at the track and the jockey talent is of the highest class.

More than 1,000 nominations have been received for the various stakes events to be decided during the winter. The entries for the Crescent City derby, one of the classic events of the American turf, include many of the best colts and fillies in the country. The total amount to \$500,000.

The officials of the club in charge of the meeting are: Clarence McDowell, president; E. J. Bryan, assistant; Alexander Brewster, patrol judge; A. B. Dade, starter; Martin Nathanson, secretary.

YESTERDAY'S SUMMARY OF TWO RACE TRACKS

TEAMS IN ARRAY ON GRIDIRON

This Afternoon the Northwest Championship Will Be Fought Out on Local Field.

MULTNOMAH AND OREGON ARE BOTH CONFIDENT

Oregon Backers Are Not Very Flush With Money, While There Is a Bankful of Club Coin in Sight—How Elevens Will Line Up.

The presence of the Oregon team and supporters in town last evening had the effect of thoroughly stimulating the interest in today's game between Multnomah and Oregon. As soon as the visitors reached town they began putting up their money on the team from Eugene, but after a couple of hours the Oregon money was all used up, while there was no end to the Multnomah currency. The visitors didn't want to put up even money on their chances, making an endeavor to get even money on the result and winning the wager should the game be a tie. That is what the say Seattle sports wanted last year, even after Seattle defeated Multnomah.

While the clubmen are not doing very much blowing over their chances, there is a deep feeling permeating each player that the club is out to win and will win despite the boasts of Oregon. Overfield's eleven is in good condition and know how to play the game. While they have not had the training of Coach

Fullback Kerron of Oregon.

GREAT CROWD GATHERED AT MARSHALL FIELD

The Chicago and Michigan Struggle Has Attracted a Mighty Athletic Host.

(Journal Special Service.)
 Chicago, Nov. 30.—A mighty throng of people, decked with bright colors in which maroon and blue prevailed, wended their way to Marshall Field this morning to be on hand early for the annual football contest between the rival universities of Michigan and Chicago for the western championship. A steady stream of automobiles and coaches poured down Michigan avenue and Drexel boulevard, affording evidence that the big game was to be a grand event from the social as well as the athletic point of view.

The confidence exhibited by Chicago men who arrived early on the ground was a factor that made Michigan bettors wary about laying money at the ruling odds. The Chicago men seemed generally quite certain that their team would at least score, and there were plenty of men willing to show their hope of victory by taking the short end of the betting proposition. This in face of the record of the two teams for the season had a tendency to make Michigan supporters a shade less certain in their predictions. There was some talk of bets of 3 to 1 on Michigan, but 2 to 1 seemed more like the prevailing odds.

Cycle Racing at Coney.

(Journal Special Service.)
 New York, Nov. 30.—Today's cycle race meet on the Coney Island cycle path promises to be one of the most important racing events of that character of the season in the east. Many prominent amateurs from this and other states are entered for the various races and it is quite possible that some amateur records will be broken. The race meeting is held under the auspices of the New York cycle club, division of the Century Road Club of America. There are 56 prizes for the first 56 men who finish in the races. A silver loving-cup will be awarded to the club having the largest number of entries and another silver loving-cup to the club scoring the greatest number of points.

WASHINGTTON TEAM MAY GET SURPRISE TODAY

(Special Dispatch to The Journal.)
 Seattle, Wash., Nov. 30.—The report which Dr. Weller brought back of the game between the elevens of the Oregon Agricultural college and the Willamette University caused consternation in the training quarters of the University of Washington. It was reported that Coach Cutts kept his men in active training all last week there was not the dash to it that had characterized the varsity's work of the two previous weeks. It was evident that the players thought they had the Thanksgiving day contest with the Oregon Agricultural college clinched and there was no use to do anything more than keep in condition. It was necessary on several occasions for the coach to group the players together on the field and give them a heart to heart talk on the necessity of putting snap in the play in order to prevent a slump.

OREGON BOWLERS BEAT THE WOODARD-CLARKES

The Oregon bowling team got three straight games from the Woodard-Clarkes on the Portland alleys last evening. The Woodard-Clarkes only had four strikes today, while the Oregon team, Captain Kruse of the Woodard-Clarkes had the highest average, 198 2-3; he also had the highest single score, making 204 in his first game. The scores were:

Oregon	(1)	(2)	(3)

HAMILTON CORBETT WILL LEAD PORTLAND ACADEMY

Hamilton Corbett, crack left end on the champion Portland academy football eleven, was unanimously chosen last night to captain the P. A. team next season. Young Corbett is a brother of Harry Corbett, who played back for several years on the Multnomah club team, and is a most promising football player. His best work was done this year at left end, where he was exceedingly active in getting down the field under kicks, a hard and sure tackler, a careful man in recovering fumbles, besides being rapid in advancing the ball. After the election his teammates gave him a hearty cheer and wished him success during his incumbency.

WHITMAN AND PULLMAN TO PLAY IN SNOW

(Special Dispatch to The Journal.)
 Walla Walla, Wash., Nov. 30.—Enthusiasm is running wild among the students of the Whitman and Pullman schools in anticipation of the annual Thanksgiving game with Pullman. A recent fall of six inches of snow has not chilled their ardor in the least. While the manager is busy with teams scraping the snow from the gridiron crowds of students are meeting twice a day to practice old songs and yells as well as new ones which have been composed especially for the occasion.

Harold Ellis was unanimously elected captain. Pullman has sent down a large crowd of rooters to support their team and the Whitman students are determined to cast them far in the shade.

HEALTH NOTICE

Warning against the use of Witch Hazel.

RECENT investigation has disclosed an alarming condition of affairs existing in this widely known family remedy. It has been proven conclusively that unscrupulous manufacturers have been selling Witch Hazel not only below the recognized standard of strength, but which is adulterated with WOOD ALCOHOL (poison), FORMALDEHYDE (poison) or both.

These conditions prevail throughout the United States and are especially alarming on the Pacific Coast. Of thirty-three samples of Witch Hazel bought of retail druggists and department stores in San Francisco, Los Angeles, Portland, Tacoma, Spokane and Seattle, twenty-seven were adulterated with WOOD ALCOHOL (poison), FORMALDEHYDE (poison) or both.

The sure way to avoid the danger incurred in using these poisonous witch hazels is to use the only standard extract of Hamamelis (witch hazel), sold only in original packages as bottled by the manufacturer.

INCREASED VALUATION FOR JACKSON COUNTY

(Special Dispatch to The Journal.)
 Salem, Or., Nov. 30.—The summary of the assessment roll of Jackson county, which was filed with the secretary of state yesterday, shows that the gross value of all property is \$13,741,710.74, which shows an increase over last year.

The summary also shows that there are 1,585 acres of tillable land in the county and \$35,024 that are non-tilable. There are 70 miles of railroad and 164 miles of telegraph and telephone lines. It shows also that cattle are raised in greater numbers than sheep and goats.
