

CORVALLIS COMES IN STYLE

O. A. C. Supporters Will Run a Special Excursion Train to Portland for Game.

GIANT FARMERS ARE CONFIDENT OF VICTORY

Splendid Showing Made This Year by Steekles' Men Makes Them a Formidable Foe—O. A. C. Graduates Will Join the Rooters.

(Special Dispatch to The Journal.) Corvallis, Or., Dec. 6.—Sale of tickets for the special excursion train to Portland for the game with Multnomah next Saturday is in progress and there is promise of a big turnout. This town has the reputation of never doing things by halves, as evidenced by an excursion of 13 coaches that went to the Eugene game November 11, all but 200 of the party going from Corvallis. The start of the special from Corvallis will be at 7 a. m. and the departure from Portland for the return trip will be at 7 p. m. Stops will only be made at Independence and McMinnville, special low rates being given from each place. Information received by letter from old O. A. C. students and graduates indicate that there will be a general turnout of them from all parts of the state, and that there will be a general reunion of the orange on Multnomah field that afternoon.

Guessing as to the outcome of the game is an interesting pastime here. A score of 149 points against opponents with her own goal line crossed but twice is the record of the O. A. C. men this season. Their first line of defense is the strongest in the history of football at the State college. Willamette butted against it and fell back for a loss in the game here on the twenty-first, when the boys defeated them by the overwhelming score of 23 to 0, all in striking contrast with the State university score with the Salem men of 11 to 6. The Aggie line held with equal ease against the O. A. C. men this season. McDonald, Babcock and Pullen in the great Thanksgiving game at Seattle, wherein Washington was defeated by O. A. C. 15 to 6. A story of that game not hitherto told is that the Oregon men were twice penalized 15 yards on Washington's 20-yard line. It is a line of which ex-Captain Long of Willamette said after his game here on the 24th, that no team on the coast could penetrate. The tipped weight of the seven forwards, with Cooper at end, is 1,295, or an average of 185 pounds per man. If Cooper does not play his position, which is as yet uncertain, there will be slight increase of the aggregate weight. The average weight of the four backs is 660 pounds, or 165 pounds per man. If Williams plays at half instead of Griffith the aggregate will be 10 pounds more.

The Seattle newspapers called the Aggies the "Oregon giants," but the appellation scarcely applies. There are no giants in the bunch, their avoirdupois being widely and evenly distributed. Walker, one of the tacklers in the heaviest man, with a stature of 6 feet and a weight of 211 pounds, while Cherry, the center, is next, with a stripped weight of over 200 pounds. Dolan, the other tackle, and Dunsap, guard, are next, with something better than 190 pounds stripped to the good. Root, right half and captain, whose line bucking at Seattle is said to have been the best ever seen on the coast, is the heaviest man in the back field, ordinary stripped weight is 180 pounds and he is one of the best 50-yard runners in college. Quarterback Rinehart is the lightest man on the team, as well as one of the hardest to stop. His weight is 146 pounds, and every whit of it is approved material.

KEEN INTEREST IN BILLIARD TOURNAMENT

The interest in the billiard tournament at the Multnomah club is increasing each evening. Last night a large crowd was in attendance and good shots were frequently applauded. The scores: P. D. Brigham, with a score of 70, average 1.55, beat J. H. Davis, score 87, average 1.24. J. B. Rogers, with a score of 45, average 1.21, won over R. P. Knight, score 34, average .92. O. L. Spencer, with a score of 50, average 1.21, beat C. D. Brandon, score 43, average .94. H. H. Post, with a score of 50, average 1.10, beat T. H. Bentley, score 23, average .61. O. L. Spencer, with a score of 60, average 1.43, won over H. H. Rach, score 47, average 1.24. H. H. Rach, with a score of 50, average 1.04, won over C. D. Brandon, score 34, average .72. T. H. Bentley, with a score of 40, average .85, won over C. D. Brandon, score 35, average .76.

WILLAMETTE STUDENTS TAKE UP BASKETBALL

(Special Dispatch to The Journal.) Salem, Or., Dec. 6.—Since the football season is over all the students who have anything of an athletic turn of mind divert their attention to basketball. The boys have had one practice game. George Simpson was elected captain. Simpson played on the '04 team as guard and is a fast player. The following men will probably compose the '05 team: Simpson and Wilson, guards; Rader and Grannis, forwards; and Whipple, center.

Manager Matthews is arranging a good schedule and is planning for a northern trip.

HARD PULLING IN THE TUG OF WAR RACE

In the tug of war tournament at Merrill's hall last evening the Swedish team defeated the Americans. The contest was a hard one and when time was up the victors had but a slight advantage, yet sufficient to win. Norway and Finland pulled a trifle earlier in the evening. Another tie resulted when the Lithuanians and Johnny Duck regiments pulled. A large crowd witnessed the performances and heartily enjoyed the sport.

TRACEY CONFIDENT OF VICTORY

Local Boniface Feels That He Can Put Zubrick Out of Business on Friday.

BOTH BOXERS HAVE TRAINED FAITHFULLY

For Four Weeks There Has Been No Letup in the Training Quarters and the Sports Look Forward to an Interesting Bout.

Followers of the athletic game are straining in anticipation of a lively mill next Friday evening when Tom Tracey and Warren Zubrick meet in a 20-round contest at Vancouver, Washington. Tracey believes the same as many of his admirers, that there are several good fights left in his constitution, and one of these will be Friday night's engagement.

On account of the fact that the winner of this contest is scheduled to box Honey Melody in a 20-round bout, there must certainly be some real merit to the contestants, as Melody is a stickler for good scraps. Tracey has really been working with all of his heart and soul for this match, because he is anxious to get a chance with Melody. He has been working night and day getting into condition and yesterday when he quit his heavy training he expressed himself as well pleased with his condition, and very confident of putting the "kibosh" on Zubrick.

This man Zubrick is a wonder with the gloves and never knows when to stop working. Since the day of his arrival in Portland he has been going at it, hammer and tongs, doing all sorts of stunts in order to round into fine form. This morning he was out on the road as usual and he says that he will keep up his work until 4 o'clock on the afternoon of the battle. Like Tracey, he is also very confident of winning.

It has not yet been decided who will referee the bout, but it may be Jack Grant or Billy Smith, as both men understand the game and are satisfactory to Tracey.

The management of the club has arranged for special cars to Vancouver on Friday night, so that the crowd may be easily handled.

WHEN BRITT SETTLES NELSON WILL FIGHT

(Journal Special Service.) Cincinnati, Dec. 6.—Billy Nolan, manager of Battling Nelson, and Jimmy Britt are indulging in a paper fight. In a letter sent here Nolan recites some of his past troubles with the Britts on the Pacific Coast, and winds up by saying that he will not give Britt another chance at Nelson until the Britts settle an alleged debt of \$5,000. Jimmy Britt sent a reply to Nolan in which he states that any money troubles that Nolan had with reference to the Nelson-Britt fight are with the club that pulled off the fight. "Nolan knows that," said Britt, "and it is only an excuse to avoid another meeting with me. I will fight Nelson winner take all, and bet as much on the side as they care to cover."

CLUBMEN WORRY ABOUT GAME

Tendency of Some is to Sit Around and Talk Without Getting Down to Work.

CHET MURPHY DISTURBED ABOUT INTERVIEWS

"Chet" Says That If He Has Time He Will Play—Overfield Makes an Appeal to the Eligible Men to Turn Out and Help the Club.

If the Multnomah club eleven intends getting in trim in order to meet the Oregon Agricultural college team on next Saturday afternoon it would look better all around if each man would get busy, put on his suit and work hard for the contest, rather than indulge in a lot of unnecessary prattle that is much more tiresome than misleading. To read the impressions of idiots, providing a person were not acquainted with the ins and outs of the sport, one would think that a football eleven is composed of one man instead of eleven. There has been too much talk entirely about Chester Murphy. "Chet" Murphy willingly lent his time and energy to the club for the Oregon game, when his services were needed, as he had often done before. Now, a young man in business or in a profession naturally sacrifices valuable time when he engages in football, and when Murphy says he is busy he should be believed because if he had the time there is no one who would rather play football than "Chet." He has been bothered and bothered about whether or not he is going to play, and in justice to him it may be said that if he has the time he will gladly turn out with the boys. It has been embarrassing to Murphy to have his name heralded about from day to day as not going to play against this team or that team, when in fact he is anxious to help out the club whenever he has an opportunity. Manager Watkins, Coach Overfield and the boys thoroughly appreciate Murphy's position and it is for that reason that the matter is set straight.

Last night's practice was not so well attended as it should have been, but the men who were out were put through a vigorous drill. It is certain that Overfield, McMillan, Jordan, Dowling, Pratt, Burt, Saunders, Kirkley and Rupert will be in condition to play on Saturday. "Bud" James is suffering from a sore shoulder and may not be able to play. Still, Dolph and Lonergan are willing to put on their suits and help out. Bishop will try to be here for the game, but it is doubtful. If all the men who are capable of playing should turn out for practice Coach Overfield would have little difficulty in getting a line on his team. There are men in the club who can play if they would but get busy. It is no mean task to whip a first-class team together in a hurry, and if the boys would appreciate this fact they would evince greater willingness to do their share.

Corvallis is coming here Saturday with a first-class team, in truth the best team in the northwest today. The men are big, strong and fast and well coached. They have had remarkable success in the last few games, winning solely on their merits, and this is what they expect to do on Saturday. Last year the Farmers gave Multnomah her greatest score of the season, and if the club men do not know they should know that Corvallis is 100 per cent stronger now than on last Christmas.

Coach Overfield is making a great effort to get the boys out, and this evening he expects every available man in the club to turn out in a suit. The boys owe it to the club, to Manager Watkins, to Coach Overfield, to Captain Jordan and to themselves to see Multnomah represented by a first-class eleven next Saturday afternoon.

GIRLS' FOOTBALL TEAM DEFEATS BOYS' ELEVEN

Mead's seminary, Hillside, and the second eleven of boys from the Overlook-Sellock military academy of Norwalk, the girls won by a score of 12 to 0. NELSON WILL BOX TERRY WITHIN SIX WEEKS

(Journal Special Service.) Pittsburgh, Dec. 6.—Battling Nelson will meet Terry McGovern in Philadelphia inside of six weeks' time. The details for a meeting were completed yesterday, according to Billy Nolan, Nelson's manager, who is here with him. JIM CORBETT IS NOW A BANK DIRECTOR

(Journal Special Service.) New York, Dec. 6.—It is to be "Jim Corbett, ex-champion pugilist," no longer. Hereafter it will be James J. Corbett, banker, for the pugilist-actor is to become a director of the Bayville National bank, having bought a sufficient amount of stock to insure him a seat in the directorate. Years ago he held down a job in the Nevada bank. Corbett believes in the future of Bay-side. He has invested part of the money gained in the prize ring and on the stage in real estate, part in some theatrical ventures and part in the stock of the new bank, of which ex-Congressman Frederick Storm is president.

TWENTY PER CENT CUT IN ILLINOIS FREIGHT RATES

(Journal Special Service.) Springfield, Ill., Dec. 6.—After a protracted conference with Governor De-roned last night the state board of railroad and warehouse commissioners announced a reduction of 20 per cent from existing freight rates now in effect in this state. The reduction is uniform over the state and applies to all classes of freight. The Wabash railroads and the C. H. & Q. entered an objection when the announcement was made. The new rate is effective January 1 next. The passenger rates are expected to be next taken up by the commission.
