DID SANTA FORGET SOMEBODY?

In the hustle and bustle of holiday shopping and Christmas giving, was some one forgotten? Have you heard since of some child whom Santa forgot, and whose heart was saddened by that unintentional neglect? Or were you unexpectedly remembered by some friend whom you'll wish to remember in turn at New Year's? In any of these events, remember that this store can still provide liberally from generous stocks of holiday merchandise, toys, games, dolls, pictures, slippers, housecoats, handkerchiefs, toilet articles, etc. After the largest holiday business in all its history, the Olds, Wortman & King store can provide today from stocks larger than ordinary stores show in November. That's "Big Store" custom, and everything now is at clearance sale prices—all reduced.

SPECIAL TO MAIL-ORDER CUSTOMERS
OUT OF TOWN

This store is the pioneer that established clearance sales twenty-eight years ago, during the continuance of which absolutely every article in the house is drastically, radically reduced—contract goods, over which manufacturers have control of price, alone excepted. For twenty-eight years we have continued them; our sales and your savings growing greater with each succeeding twelvemonth. We thank you for your continued confidence and shall do our utmost to merit it in the future as we have in the past. In this, our 28th Annual Sale, we desire to call your attention to these

SPECIAL NOTES.
Any person ordering of us through the mail will receive full benefit of all reduced prices ruling at the time their order is received, exactly the same as though they bought in person at the store. When samples are sent, the usual price will be plainly marked in black, the reduced price in red. Order from our last catalogue, send the price there quoted, and we will refund and return to you the difference between the amount you remit us and the special or clearance price.
