Introducing the New Spring Goods Throughout the Store

Our spring stocks are now complete. We do not mean by this that we've just received a mere representative showing throughout the house, but that our spring stocks are as complete now as you will find them in most stores a month hence. If you want to obtain a correct idea of the spring and summer styles in dress goods, wash goods, trimmings and ready-to-wear apparel, you must come to Roberts Bros. NEW SPRING GOODS, though, are not the only incentive for you to visit this store, for you'll find after-inventory bargains in every section—small lots of dependable merchandise which we refused to consider during stock taking, and as a rule there is not enough of any given article to advertise, so it's the painstaking shopper that will receive these bargains.

A Great Profusion of New Woolen Dress Fabrics at Very Attractive Prices

A veritable bargain feast will welcome you tomorrow—the entire department is bursting with values never before equaled in this city—tomorrow we show for the first time hundreds of yards of Fashionable Dress Fabrics in all the latest weaves and colors. Women know values! That's why the trade movement here in new Woolen Dress Goods is such a decided success. We have the facilities and the will to beat competitors—AND WE DO. We ask you to examine our goods—do the same elsewhere. Such comparisons, impartially made, help us more than volumes of advertising. Try any of these while indulging in personal tests; you'll find STYLE, QUALITY AND PRICES UNMATCHABLE!
