—That's the Way to Get Rich!

THERE IS NO HOCUS POCUS ABOUT THIS SALE!

Truth needs no disguise; facts need no embellishments. The figures below speak louder than words. This sale is not a makeshift to get rid of a few odds and ends, out of style or undesirable goods, but a downright sacrifice, *as we are forced out.* We have to vacate by *March 1.* How different an affair this is from the stereotyped, pre-arranged and really meaningless sales with which the newspapers are fairly teeming day in and day out. Nothing misleading, vague or ambiguous about it. Everything clear, straightforward and above board. *We are forced out of our building* and are therefore *forced* to sacrifice our stock at immense saving to the economic buyer. *Just one struggling, jostling, frantic, pushing mass of humanity* is what you would have seen when our doors swung open at 9 o'clock yesterday morning at this great *Thrown Out Sale* of the London Clothing Company's stock of good clothing, hats, outfitting for man or boy. It's a good-natured crowd and one patient to a high degree. Everything possible has been done and will be done to handle the enormous crowds to their best satisfaction. Every exertion will be made to wait on you expeditiously at this the last day of the *Thrown Out Sale.*
