NO MONEY TO BUY NEEDED HOSE
City Executive Board Sturdily Refuses to Beat the Devil About the Bush.

LET COUNCIL GET OUT OF THE HOLE IT MADE
Chief Campbell Reports That Two Thousand Feet of Hose is Unsafe and Must Be Replaced—Referred to Councilmen.

Although the fire department needs 2,000 feet of fire hose there is no money available to make the purchase.

At the meeting of the city executive board yesterday afternoon Chief Campbell reported that 2,000 feet of hose was needed in the department.

"It is my idea that when the council made these appropriations it did so thinking it knew best how to expend the funds," said Thomas G. Greene.

"I agree with Greene exactly," spoke up Montag.

"We are not accountable for this emergency," replied Greene.

A mistake in making the appropriations which was remedied by the council at the last meeting was in regard to the amount set aside for the purchase of horses for the street cleaning and sprinkling departments.
