Wrong Horse Reported to Have Run and Bets Are Paid in New York.

SKILLFUL WIRE TAPPING ACCOMPLISHED DEAL

Large Amounts Wagered on Fenian and First Premium, the Former Finishing Last, but Beta Were Paid—Rightful Backers Will Be Paid.

(Journal Special Service.) New York, April 10.—Wire-tappers worked the Greater New York poolrooms for big hauls over the fourth race at New Orleans yesterday.

The favorite in the fourth race was First Premium. All the big bettors placed their money on him and by all calculations he should have won.

An official message reached all the New York poolrooms to the effect that Fenian won and all bets were duly paid off.

FABULOUSLY RICH NEVADA MINES

Discovered Only Took Out High Grade Ore and Shipped to Smelter—Never Left Mines a Day During Three Decades.

(Journal Special Service.) San Francisco, April 10.—C. W. Benson and George H. Cook, two capitalists of Minneapolis, Minnesota, arrived at the Palace hotel yesterday afternoon from Nevada, where they just completed the purchase of rich claims in Jefferson canyon.

The story of the purchase of this property is an unusual one. For 30 years Charles Konrath occupied the claims in Jefferson canyon and guarded them with a shotgun.

Finally about a year ago and miner drifted in and Konrath gave him shelter. This miner interested Konrath in J. P. Fitting, a Denver mining man, who he finally bought and obtained an option on the property.

Your Thirty Feet of Bowels

THE ALIMENTARY CANAL. The food from the mouth to the stomach, the stomach to the small intestine, the small intestine to the large intestine, the large intestine to the rectum, the rectum to the anus.

YOU have thirty feet of intestinal walls that make food travel through them? A set of Muscles that line the walls of these intestines or Bowels.

When a piece of Food rubs the walls of the Intestines these Muscles tighten behind it, and thus it starts a Muscle-wave which drives it through the whole length of the Bowels.

It should take about 12 hours to do this properly, so that nutritious parts of the food may have time to be digested and absorbed.
