### **Gas Ranges and Gas Water Heaters Installed Free**

In accordance with our liberal policy on the sale of *Gas Ranges* and *Gas Water Heaters*, we are now installing all ranges and water heaters purchased of us **FREE OF CHARGE**. Where a fuel stub has already been installed in the kitchen, and no extra pipe is necessary to make proper connections for a range, a discount of **20 per cent** will be allowed from the purchase price of the range. Where a fuel run of 40 feet or less is necessary to properly connect a range a discount of **10 per cent** will be allowed.

On *Gas Water Heaters* (see opposite cut) a discount of **10 per cent** will be allowed from the purchase price. With this policy the purchase of a *Gas Range* or *Gas Water Heater* is within reach of all, and no household, whether large or small, is complete without. At the new price of gas you can afford to use either or both of the above appliances for fuel purposes. Ranges, Water Heaters, in fact all gas appliances, when so desired, can be purchased on small monthly installments, which are payable monthly with gas bill.

### **Gas for Lighting**

Its economy and superiority are unquestionable. Ask any user. We pipe all old houses in which gas pipes were not installed at the time of construction. We employ only experienced workmen, and guarantee all work and material to be first class in every respect, and that the work will be performed promptly and without any inconvenience. We carry all styles and kinds of Gas Fixtures, Welsbach and Lindsey gas burners, Gas Arcs, Waffle Irons, Chafing Dish Burners, Tailor Irons, Soldering Iron Furnaces, Toasters, all of which can be purchased either for cash or on the installment plan. Our representatives are now making a complete house to house canvass of the city, and if interested, will be pleased to furnish any information on the subject of gas, for lighting, cooking and heating.
