## MAY NOT SECURE INSURANCE

Liabilities Reach a Grand Total of Two Hundred and Thirty Millions.

### FIGHT AMONG ADJUSTERS HAS ALARMING PHASES

Losses So Great That It Is Impossible for Some Companies to Pay—Many Opposed to Paying on Buildings Wrecked by Quake.

(Journal Special Service.) Oakland, May 4.—A revision of insurance liabilities in San Francisco has increased the figures to a grand total of \$230,000,000. These figures are reached by placing the average rate per hundred at 90 per cent and estimating two thirds of the liabilities as lost. Previous figures placed the total insurance loss at \$164,000,000. Coincident with the fact that the loss will reach such an enormous figure, comes the report from the adjusters meeting today to the effect that a strong faction has arisen in insurance circles, which is opposed to paying earthquake losses. While the majority apparently favor paying all the losses on buildings destroyed by fire, whether or not previously wrecked by earthquake or dynamite, there seems to be a prospect that the conservative element will win out.

The losses are so great that it is possible that some companies will go to the wall if they meet the liabilities in full. The fight among adjusters is assuming alarming phases and the whole aspect of the situation is unfavorable for the insured.

## ANGERED AT THE PRESIDENT SHERMAN ABANDONS MARCH

(Journal Special Service.) Cartersville, Ga., May 4.—Stung by criticisms and angered by the action of President Roosevelt in withdrawing an escort of United States cavalry, Rev. Thomas Sherman has abandoned his trip over the route taken by his father, General W. T. Sherman, whose latter marched through Georgia, and has returned to Chattanooga.

Sherman and his escort reached here last night, where they learned of the president's order. So irate was Sherman at what he considered an insult by Roosevelt, that he at once took his baggage from the army wagon accompanying the expedition and had it moved into the home of General Granger, who was military secretary to General Sherman, and who resides here.
