

MAJOR TAYLOR WILL JUDGE ALL BUT TERRIERS AND COLLIES

The Leading Expert on Dogs Will Pass on the Merits of Aristocratic Canines in Portland's Bench Show

Major Taylor, who will judge all breeds but terriers and collies at the bench show next week, is one of the foremost judges and dog men in America, and his connection with the American Kennel club, under whose rules the local show will be given, dates from the time of the organization of the American Kennel club, which was in 1884. The first meeting was held September 17, 1884 in pursuance with a call of Major Taylor and Elliott Smith, and at the second meeting Major Taylor was elected president and served as such during the years 1884 and 1885, and resigned in December 1885. Major Taylor has been actively connected with dogdom since that time and has judged at all the large shows throughout America, both in the United States and Canada. This is not the Major's first visit to Portland, as he visited the Portland Kennel club's annual show last year, after judging at Vancouver, British Columbia, and he was so well liked at Vancouver as a judge that he was unanimously chosen to judge there again this year, which he did two weeks ago, and his work, as usual, was thoroughly satisfactory to all exhibitors. The Major is a very pleasant gentleman to meet and exhibitors at the com-

OAKLAND'S TURN TO WIN IN MUD BATTLE

Toren Was Wild as a March Hare and Lasted but Five Eventful Innings.

Oakland 10, Portland 5. Batteries—Reidy and Hackett, Toren, Calif and McLean.

Portland players performed yesterday as though they had never seen a baseball in their lives, and Oakland couldn't help winning. Toren started the game for the locals, but could not keep the Commuters from scoring, so after four runs were made off him in the fifth inning on two hits and two errors, Toren was sent to the bench. The visitors played havoc with Toren, stealing bases off him with impunity. Devereaux, T. Hackett, Franks and J. Hackett, doing the trick in clever fashion, Toren didn't

ACADEMIC TEAMS TO HOLD

(Continued from Page Ten.)

Portland academy and Portland High school will undoubtedly have the largest representation, with Columbia and Hill a close second, while Allen's team will consist of several all-around men. A gorgeous banner will be presented to the school whose team wins the greatest number of points in the meet, while a trophy cup will be given the team winning the relay race.

Will Be First Event. This will be the first interscholastic championship track meet ever held in the city of Portland, and a great deal of credit is due the managers of the league for the steps they have taken toward fostering and encouraging among the boys this branch of athletics which is one of the cleanest and most wholesome of all athletic games.

The following is the order of events: 100-yard dash, 220-yard run, 120-yard high hurdles, 440-yard run, 220-yard dash, one mile run, 220-yard low hurdles, shotput, broad jump, discus, high jump, pole vault, half mile relay.

BIG SCORE ROLLED UP IN BOTH CONTESTS

Academy Leads in Local League, Having Won Six Games and Losing None—Players Bat Hard and Run Bases Like Team of Veterans.

Portland academy defeated Hill Military yesterday afternoon in a one-sided game. Portland academy having defeated Allen this morning was in fine fettle and felt confident. The cadets on the other hand were somewhat handicapped by lack of practice, caused by the frequent rains of last week, which made it practically impossible to practice on the professional field. Another drawback was the unpropitious absence of their coach this afternoon, which did much toward discouraging the team and they soon lost heart and made many disastrous errors.

This game places Portland academy away in the lead. P. A. amply deserves the pennant this year. Her team has played six games so far and has won them all by hard hitting and excellent intelligent team work.
