1. LEANDER: "Oh, here come Lulu and her popper. Ye gods! And I can't even speak to her. Oh, cruel, cruel fate! I'll climb up into this tree and watch her as she passes."

2. LULU: "Come, popper, let us sit down here a few moments. Popper, PLEASE give Leander another chance; I am so lonely without him."  
POPPER: "Well, I suppose if he were here, now I couldn't refuse, Lulu."

3. LEANDER: "Peek-a-boo!"  
LULU: "Oh, Leander! How you startled me. Oh, please come down. Now something will happen, I'm sure."  
POPPER: "Yes, come down, you rascal. I forgive you."

4. LEANDER (as the branch breaks): "W-E-O-W!"  
POPPER: "HELP! MURDER! ASSASSINS!"  
LULU: "Oh, I knew it! I knew it! I knew it!"  
Oh, Leander, WHY did you do it?"

5. POPPER: "Oh! oh! oh! Come within my reach again and I'll pulverize you, you lobster!"  
LEANDER: "Ye gods! Me for a clister with a stone tied to my neck. I'm done."
