Craft Lies on Rock Off Bodega Bay Breaking to Pieces--Two of Captain's Children Drowned--Crew May Not Be Saved

San Francisco, June 5.--Caught in the terrific squalls that have been sweeping the coast the past few days, the schooner Volunteer, bound north, lies on a rock off Bodega bay, pounding to pieces in a heavy swell. Two of the captain's children were swept overboard by a huge comb that boarded the vessel and the condition of the sea made impossible any attempt to save them.

RING OF TRICKSTERS MAKE GAMING TOOLS FOR ARMY AND NAVY

Chicago, June 5.--Disclosure of conditions which so seriously threatened the discipline of the United States army and navy that the secretaries of the two departments, and even President Roosevelt himself, were called upon to aid in their suppression, were made in the Harrison street police court, when dealers and manufacturers of alleged crooked gambling devices were arraigned.

BEQUESTS BIG SUM TO CITY OF DETROIT

Detroit, June 5.--The will of James E. Scripps, which has been filed, provides for holding the bulk of the estate in trust. The homestead is left to the widow. Employees were remembered by gifts. \$50,000 was bequeathed to the city.

CORONATION GIFT FOR NORWAY'S NEW QUEEN

London, June 5.--On the initiative of Lord Mayor Vaughan Morgan a public subscription has been opened for a national coronation gift to the queen of Norway, who was Princess Maud, daughter of King Edward. The coronation of King Haakon and his queen takes place at Trondheim two weeks hence.

The race for sheriff is one of the closest political contests that Multnomah county has known in years. Tom Word took the lead about 10 o'clock this morning, and is still holding it. The margin is narrow, but he is almost sure to retain his advantage, as he gains slowly as the late returns come in. Stevens proved the stronger on the west side, particularly in the north end, but this has been offset by Word's majorities in the east side and country precincts.

The woman's suffrage amendment has been defeated. Most of the outside counties have gone against it and the adverse majority in Multnomah county is 3,145 on a tabulation of a little more than two thirds of the total vote.

Another proposed measure that has gone down to defeat is the amendment by which the liquor dealers sought to put a jug handle on the local option law. Multnomah gave a majority of 1,210 against in a count of 12,000 votes, which indicates a preponderance of about 1,600 negatives when all the returns are in. This amendment fared little better in the rest of the state and is no doubt beaten by a large majority.

United States Senator Gearin has made a splendid showing, getting many thousands of Republican votes, but the popular indorsement has gone to Jonathan Bourne. The Republicans have elected both their congressional candidates, Ellis by a large majority in the second district, and Hawley by a greatly reduced party vote in the first. Galloping the opponent of Hawley, carried Yamhill county by a nice majority, but Clackamas and other counties on which he relied failed him.

The entire Republican state ticket with the exception of Withycombe has been elected by a large majority. In some precincts Benson, the Republican candidate for secretary of state, got two votes to Withycombe's one. The size of Jonathan Bourne's vote was one of the surprises of the election. He was cut extensively by Republicans, but the defection was not nearly so strong as was expected. Bourne predicted yesterday afternoon that the attack on him because of his former free silver views would gain him the votes of at least 10 per cent of the Democrats. It is not known that this happened, but the fact remains that Bourne has a good majority over Gearin not only in the state, but in Multnomah county, where Gearin has a host of friends.

Willis C. Hawley.

Vienna, June 5.--Emperor William, accompanied by numerous suite, arrived today on a visit to Emperor Francis Joseph. There was no ceremonial entry into Vienna, the German emperor leaving his train outside the capital and proceeding at once to Schoenbrunn castle, where he breakfasted with the Austrian imperial family. The belief that the meeting of the two rulers possesses political meaning is heightened by the announcement that they will meet but two days and by the further fact that several high officials of the German foreign office are included in the kaiser's suite.

Maddock leads by about 40 votes. Latourette is probably elected clerk over Greenman, Republican, by 50 votes. Equal suffrage is lost in Clackamas county by about 250 votes. With 10 precincts to hear from the vote is: For equal suffrage 739, against 925. The local option amendment has been defeated here by probably 400 votes. The vote for the amendment is 511 and against 852. The \$1,000,000 appropriation bill is defeated by about 50 votes, with 627 votes for the bill and 553 against it. GIANT STRUGGLES TO AVOID A SEA TRIP BUT TARS OVERPOWER HIM

London, June 5.--The Russian giant, Machnow, 9 feet 3 inches tall, who was engaged for exhibition purposes in New York, after a long showing here, balked at the last moment owing to an unquenchable aversion to the sea. He had taken a train to Dover to embark on the steamer Pretoria, but on arriving there refused to leave the railway car. His wife added her tears and entreaties to the persuasions of the agent, but the giant was immovable. Finally one of the liner Pretoria's crew went ashore to remove Machnow from the car. He resisted and put up a fierce struggle. Ultimately he was dragged out and stowed away in the hold of the steamer. He is now on route to his destination.
