

FORTY-NINE WILL GRADUATE

Commencement at Oregon Agricultural College Most Notable in Its History.

SIX DAYS OF IMPORTANT EVENTS AT STATE SCHOOL

Visitors Gathering at Corvallis for the Annual Ceremonies Attending Class Graduation—Week's Program Includes Ball Game.

(Special Dispatch to The Journal.)
Corvallis, Or., June 8.—Commencement week of the Oregon Agricultural college opened last night with a play at the opera-house, "On Shore and Sea," given by the vocal department of the college under direction of Mrs. E. F. Green. The cast of characters included many of the most prominent soloists of the city, it being a musical drama, and a packed house greeted the performance. Saturday night the last of the series of intersociety debates for the Gatch cup will take place in the college chapel between the Perlan and Jeffersonian literary societies, the subject being, "Resolved, That the Right of Suffrage in the United States Be Restricted by an Educational Qualification." The affirmative is taken by the Jeffersonians. Sunday, in college chapel, the annual baccalaureate sermon will be preached by Rt. Rev. Frederic W. Keator, D. D., bishop of Olympia, and because of these services there will be no services in the churches of the city, all uniting in this annual event of commencement week. Monday at 2:30 p. m. the class in physical culture gives its exhibition drill in the Army, and in the evening at 8:30 o'clock Professor Gerard Tallander, assisted by pupils of the elocutionary department, will appear in an organ recital in the college chapel.

Tuesday the Big Day.
Tuesday, however, is the greatest day of the week—except graduation-day itself. At 10 a. m., on college campus, a parade and skirminah drill by the cadet regiment will be witnessed by a great throng; at 2 p. m. the class day exercises take place on the campus; at 3:15 p. m. the faculty and seniors engage in a game of baseball that promises to rival anything in that line ever attempted on the local field. President Gatch has issued two requests in relation to the game, viz., that the seniors are not to "guy" the faculty after the contest, and that all spectators will go into the grandstand out of reach of danger.

Seniors Give Fares.
At 8:30 o'clock Tuesday evening, in the opera-house, the annual play will be given by the seniors. This will be a farce, entitled "After the Storm Comes a Calm." The program will embrace vocal solos, quartets and monologues; Rosenstein's orchestra will furnish music.

Wednesday, in the Army, at 10 a. m. the graduating exercises take place, the address to the class to be made by Rev. William C. Elliot Jr., of Portland. At 2 p. m. in the chapel will be held the meeting of the alumni, and this will conclude what is considered the most important week of the year in Corvallis.

Visitors flood the town at this season to attend commencement and already some are arriving. Former students come from all parts, not only of Oregon, but of neighboring states, and there is general merriment and festivity during the six or seven days that make up the period of commencement. There are 49 members of the senior class this year, from all parts of the state, and some who reside in neighboring states.

DR. EARLE HAS NOT RESUME POST

Ex-Marine Hospital Surgeon on Special Inspection Board at Capital.

FEELS MUCH FLATTERED WITH HIS APPOINTMENT

Says Senator Fulton Is Considered One of the Big Men of the Senate at Washington and That Members Do Not Leave When He Speaks.

The Journal has opened a news and subscription bureau at 222 Commercial street, Astoria, where any business with the paper may be transacted. Phone Main 2202.

(Special Dispatch to The Journal.)
Journal's Astoria Bureau, June 8.—Dr. Baylis H. Earle, until recently in charge of the United States marine hospital service for Columbia rivers, will probably not return to his duties here, at least for some time. Several months ago he secured leave of absence to take a trip through the eastern and southern states. He is serving on a special board making sanitary inspection of government buildings at the national capital, and he writes to a friend in this city that he cannot return to Astoria before late autumn, if at all.

Dr. Earle wrote that it took the committee two weeks to complete inspection of the large treasury building. The White House and the capitol building are among those yet to be inspected, and he figures that many months must elapse before the task is completed. He writes:

"I cannot help but feel highly flattered over my appointment to the board that is making the tour of inspection of the buildings at the national capital, inasmuch as the members were named by the president himself. It begins to look as though I would not return to Astoria.

"As a life-long Democrat, I take great pleasure in saying that our friend, Senator Fulton, is considered one of the big men of the United States senate. He is well thought of here, and I notice that when he speaks the members do not go out into the cloakrooms, but remain in their seats and listen."

Dr. Earle concludes his letter by expressing the hope that Governor Chamberlain would be returned in spite of the odds against him, being too good a man to turn down. He also expressed his regret at not being able to return to what he termed the best state in the Union, and one of the most pleasant towns. The regatta, he added, he would miss very much.

Graduating Exercises.
Arrangements for the annual commencement exercises of the Astoria high school have been made. The exercises proper will take place on June 15, and on June 17 Rev. W. S. Gilbert of the First Presbyterian church will deliver the baccalaureate sermon.

On the evening of June 20 the reception of the junior to the senior class will take place. The graduates are Annie Wilhelmina Bergman, Edith Elaine Butts, Maana Sophie Carlson, Hodwen Davies, May Karinen, Grace Ellens Magidary, Maret Louise Settem, Kate Mabel Wood, Joseph Leahy, Frank Thomas Parker and Otto Emilie Utzinger. The class motto is "Justice Before All." The class flower is sweet brier and the colors red and blue.

Arranging for Celebration.
Astoria is to have one of the best independence day celebrations in her history. The committee in charge of the event is holding regular meetings, and a number of attractions have been arranged. Among these will be a mardigras parade. The celebration will extend over a period of two days, commencing on the morning of July 3, and the new city park just completed will be dedicated on the opening day.

Illegal Voter in Jail.
Frank Hendricks, arrested for illegal voting, was bound over to the district court yesterday at the preliminary hearing, and in default of bail was committed to the county jail. Hendricks is accused of voting in two precincts and the testimony against him is strong.

Leaves for New Labors.
Rev. W. S. Grim, pastor of the First Methodist church, of this city, left for the scene of his future labors, Denver, Colorado, today. His family accompanied him. A reception was given by members of the church last Tuesday evening.

MEDICAL ASSOCIATION IN QUARTERLY SESSION

(Special Dispatch to The Journal.)
Albany, Or., June 8.—The Central Willamette Medical association met in quarterly session Wednesday evening in the new hospital at building of Rev. Father Lane, formerly the elegant home of the late Rev. Louis Metayer. Dr. Coffey of Portland read a paper on "Modern Diagnosis and Treatment of Diseases of the Adomem," which was extensively discussed. A subscription of \$50 was donated to the physicians' relief fund of San Francisco.

A fine banquet was served, those in attendance being: Drs. Coffey, Williamson, Pierce, Portland; Drs. Booth and Lamberson, Lebanon; Drs. Cathey and Pernot, Corvallis; Dr. Bennett, Monroe; Dr. Emil Howard, Crawfordville; Dr. Prill, Seaside; Dr. Davis, Wallace, Ellis, Trimble, Hill, Stark, Myers, Albany.

JUNE WEDDING OF ALBANY YOUNG FOLK

(Special Dispatch to The Journal.)
Albany, Or., June 8.—One of the prettiest weddings of the year took place at high noon Wednesday, June 6, at the residence of Mr. and Mrs. George M. Payne, their daughter Georgiene becoming the bride of Charles Hall Stewart of this city. The ceremony was performed by Rev. Tracy B. Griswold in the presence of about 30 invited guests, immediate members of the family and intimate friends. It was a happy occasion, and the most enjoyable of June weddings. They left on a tour of the sound country and will make their home in Albany.

ROSEBURG INCREASES SALOON LICENSE FEE

(Special Dispatch to The Journal.)
Roseburg, Or., June 8.—As a result of the recent election in which part of this city, which has been "dry," went "wet," and the expected opening of a number of new saloons, the city council last night raised the saloon license from \$400 to \$500. The chair of Councilman F. W. Haynes, removed from the city, was declared vacant and C. B. Patrick was appointed to represent the third ward.

Why Doctors

Say "Drink Pabst Beer"

CAREFUL inquiry shows that doctors, in perhaps the large majority of cases, prescribe Pabst Blue Ribbon Beer because they know of its absolute purity and positive cleanliness. "It is the cleanest and richest beer in the world," said one of Chicago's leading doctors the other day. "What appeals to me," he said, "is the Pabst process and Pabst eight-day malt, so very different from all the rest. We doctors appreciate sterilisation and we are teaching the people in their homes the value of sterilisation. On almost every visit we make we emphasize that. I have visited all the breweries of importance in the country, and I must say that for absolute cleanliness there is no beer to equal

I prescribe it in my practice and drink it myself.

The aging of Pabst Beer is another point wherein the great Pabst brewery excels. Pabst is the perfectly aged beer. Not a bottle or a keg ever leaves the brewery until science and the test of time shows it fully aged and mellow, perfect in age, purity and strength.

PETITION OF SHEEPGROWERS ON GRAZING DENIED

Exception Made in Case of One Firm, Which is Allowed Extra Grazing.

(Special Dispatch to The Journal.)
Pendleton, Or., June 8.—By a decision of the forestry bureau of the department of agriculture the appeal of the Umatilla county sheepmen against the allotment of the Wenaha reserve has been denied. The action of the department is announced in a letter from Overton W. Still, associate forester, to Dan P. Smythe, secretary of the Umatilla association, which says:

"After a careful consideration of the appeal from the decision of Ranger Schmitz made by Mr. Raley and yourself on behalf of the Umatilla County Woolgrowers' association, in reference to the allotment of grazing privileges on the Wenaha reserve, the forester has decided to sustain Mr. Schmitz on all of the points presented except that in reference to the Cunningham Sheep & Land company. In this case it appears a mistake was made and that the applicants are entitled to a larger number of sheep than was allowed. I inclose a copy of the forester's reply to Mr. Schmitz for your information."

In the letter to Ranger Schmitz the chief forester holds that as the Cunningham Sheep & Land company pur-
