FOURTEEN STRIKEOUTS WAS BILL'S RECORD

Giants Got After Lempke in Third Inning and Rushed Across Runs Enough to Win the Game—Casey Played the Star Game in the Field.

Portland 5, Fresno 1. Batteries—Essick and McLean; Lempke and Hogan. There was nothing to yesterday's game between Portland and Fresno but Bill Essick. He was the whole show; all the Tigers looked alike to him. He was invincible. His curves were very deceptive, his control was perfect and his speed was of a high order. Fourteen of the visitors fell before his shafts, taking the strike-out route for the want of something better to do.

BOXING GAME TO BE RESUMED

NELSON AND GANS MAY BE MATCHED FOR CO

Jimmy Thinks That the Sports of San Francisco Will Be Ready for Good Contest in About Two Months—Hook Keyes a Corner.

(Journal Special Service.) San Francisco, June 15.—Fight Promoter Coffroth has given it out that the game will be resumed about the middle of August. The one thing that is holding the promoters of big contests from opening up at the present time is the lack of accommodation for the out-of-town public that always makes it a point of coming to the city to witness a star contest.

Coffroth, who returned Monday night from Los Angeles, said: "I think that there will be a resumption of the sport very shortly. Personally, I am interested, for with me it looks as if there is a great demand for the sport of amusement which the public enjoyed before we got the rattler. Like everything else, it has taken time for us to find where we are at. The old places are gone, and we have to go out and hunt up new localities. This has taken time, but I think we are now in a fair way to give a show that will be an attraction. Now we are out on a still hunt for the best of the men that we can get together. It will have to be a star attraction."
