# Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: First-The indisputable evidence that it is harmless: Second That it not only allays stomach pains and quiets the nerves, but assimilates the food: Third—It is an agreeable and perfect substitute for Castor Oil. It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system-not by stupefying it-and our readers are entitled to the information.—Hall's Journal of Health.

GENUINE CASTORIA ALWAYS The Kind You Have Always Bought In Use For Over 30 Years.

Letters from Prominent Physicians Addressed to Chas. II. Fletcher

Dr. B. Haistead Scott of Chicago, Illinois, says: "I have prescribed your Castoria often for infants during my practice and find it very satisfactory."

Dr. William Belmont of Cleveland, Ohio, says: "Your Castoria stands first in its class. In my 30 years of practice I can say I never have found anything that so filled the place."

Dr. J. H. Taft of Brooklyn, New York, says: "I have used your Castoria and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. William L. Bosserman of Buffalo, New York, eays: "I am pleased to speak a good word for your Castoria. I think so highly of it that I not only recommend it to others, but have used it in my own family."

Dr. R. J. Hamlen of Detroit, Michigan, says: "I prescribe your Castoria extensively, as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get Fletcher's."

Dr. William I. McCann of Omaha, Nebraska, says: "As the father of 13 children I certainly know something about your great medicine, and aside from my own family experience I have in my years of practice found Castoria a popular and efficient remedy in almost every home."

Dr. J. R. Clausen of Philadelphia, Pennsylvania, says: "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the indersement of the medical profession, but I, for one, most heartily inderse it and believe it an excellent remedy."

Dr. Channing H. Cook of St. Louis, Missouri, says: "I have used your Castoria for several years in my own family and have always found it thoroughly efficient and never objected to by children, which is a great consideration in view of the fact that most medicines of this character are obnoxious and therefore difficult of administration. As a laxative, I consider it the peer of anything that I ever prescribed."

We have made it possible for every family in town to own a plane or organ. July 1 we turn over all stock to our successors, the Sherman-Clay company, at wholesale.

We prefer to sell at least the bulk of our stock to the people of Portland and vicinity, at wholesale prices.
