

### THIRTY SENATORS TO BE ELECTED

Terms of Fifteen Democrats and Fifteen Republicans Expire in March.

### MANY CONTESTS DECIDED THROUGH POPULAR BALLOT

Results in Montana, Idaho, Colorado Doubtful—Chances Favor Republicans in Delaware, Kansas, West Virginia and Rhode Island.

(Journal Special Service.) Washington, Aug. 16.—The terms of 15 Democrats and 15 Republicans who have seats in the United States senate expire on March 3 next. The Democrats are: Bacon, Georgia; Bailey, Texas; Berry, Arkansas; Blackburn, Kentucky; Carmack, Tennessee; Clark, Montana; Dulles, Idaho; Foster, Louisiana (re-elected); Geary, Oregon; McLaurin, Mississippi (re-elected); Martin, Virginia; Morgan, Alabama; Patterson, Colorado; Simmons, North Carolina; Tillman, South Carolina.

The Republicans are: Alger, Michigan; Allee, Delaware; Benson, Kansas; Burnham, New Hampshire; Crane, Massachusetts; Cullon, Illinois; Dooliver, Iowa; Dryden, New Jersey; Eskins, West Virginia; Frye, Maine; Gamble, South Dakota; Millard, Nebraska; Nelson, Minnesota; Warren, Wyoming; Wetmore, Rhode Island.

Some of the Democrats have already been re-elected and others nominated by popular vote. Berry will be succeeded by Davis, Blackburn by Paynter, and Carmack by Taylor. Geary will be succeeded by Jonathan Bourne, a Republican. The states of Montana, Idaho and Colorado are doubtful, so the Democrats have lost one, and three are in doubt.

In the Republican list the states of Delaware, Kansas, Illinois, West Virginia and Rhode Island are doubtful. Five in all, but the chances favor the Republicans in most of these states. The new state of Oklahoma will elect two senators, and the outlook there is favorable to the Democrats.

### LETSON BALLIET IS MAKING FORTUNE IN TONAPAH

Notorious Wildcat Promoter of Baker District Is Doing Legitimate Mining Business.

Baker City, Or., Aug. 17.—Letson Balliet is making money in Tonapah according to T. E. Shea, who is in Baker City after having recently returned from the Nevada country, and the White Swan promoter is now conducting legitimate mining enterprises. Mr. Shea says that Balliet has a hold on some good properties and is making them bring in returns.

The statements are of great interest here, as Letson Balliet has more than once threatened to come back to Baker City and start a newspaper as soon as he could again get on his financial feet. This Mr. Shea says he is doing.

### When you have a Bad Breath—Wake up!

**W**AKE UP! It's time to take a Cascaret.

- When the friend you speak to turns his face the other way,
- When your tongue is coated,
- When you have Heartburn, Belching, Acid Rising in throat,
- When Pimples begin to peep out,
- When your Stomach Gnaws or Burns,
- That's the time to check coming Constipation, Indigestion and Dyspepsia.

One single Candy Cascaret will do it if taken at the right minute, just when you first feel the need of it.

Do it now! Cascarets don't Purge, nor Weaken, nor waste Digestive Juices in flooding out the Bowels, like Salts, Castor Oil, "Physic."

But,—they act like Exercise on the Muscles that shrink and expand the Intestines, thus pushing the Food on Naturally to its Finish.

When your Bowel-Muscles grow flabby they need Exercise to strengthen them—not "Physic" to pamper them.

Cascarets provide the bracing tone that is needed specifically by the Bowel-muscles.

Then carry the little ten-cent "Vest Pocket" box constantly with you, and take a Cascaret whenever you suspect you need it.

One Cascaret at a time will promptly cleanse a foul Breath, or Coated Tongue, thus proving clearly its ready, steady, sure, but mild and effective action.

Have the little 10c Emergency box of Cascarets constantly near you! All Druggists sell them—over ten million boxes a year, for six years past.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC." 770

### GOLD SEEKERS WILL RUSH TO THE ANTIPODES

Australian Predicts That His Continent Will Be Mecca for Miners.

(Journal Special Service.) San Francisco, Aug. 17.—Richard Stevens, a newspaper man from Australia, who is at the Baltimore hotel, in a short pleasure trip and intends while in this country to visit Goldfield to see the fight. Speaking of Australia, he said:

"Australia today is one of the richest gold mining countries in the world. It is safe to say the mines in Australia have richer and larger yields than the mines in South Africa, with their most prosperous times. Few people have ever heard of the great gold finds in Australia. There never has been a world rush to the island for the yellow metal. The gold there is easy to obtain, as there are a large number of placer mines. The majority of metal comes in quartz, which has to be crushed. "One little town, not far from Melbourne, of which the average person in America has probably never heard, has a population of about 40,000, and since it was founded has produced \$150,000,000 worth of gold. The whole of Australia affords a rich field for the goldseeker. "I predict that before another decade has run out there will be a rush to Australia by the gold hunters of the world and its rich fields will be appreciated. South Africa, Klondike and Goldfield have each had a chance, and the next country to serve as the cynosure of all eyes will probably be Australia."

### DEPEW IS HALTED IN AUTO; CHAUFFEUR ARRESTED

Senator Accused of Speeding in Mountains of Westchester County.

(Journal Special Service.) White Plains, N. Y., Aug. 17.—A big red automobile, in which United States Senator Depew spends his time touring Westchester county, was held up today in Hartsdale and the chauffeur arrested for speeding. Senator Depew, with Mrs. Depew and a woman friend, was in the machine at the time. The party had been to Oliver Harriman's country place.

Deputy Sheriff Townsend, who is conducting a crusade against automobile speeders, saw the car approaching and, stepping out into the middle of the road, he waved a red flag. When the chauffeur brought the car to a stop the deputy told him he was under arrest. Senator Depew, who was in the tonneau, swathed in a long linen duster, put up \$125 cash bail for the appearance of the chauffeur and the party was allowed to proceed.

Sensor Depew said he did not believe the machine was traveling so fast, but admitted that the policeman might be right. He appeared to be in good humor, and as the car pulled away waved his hand to a crowd that had collected at the roadside, and smiled.

**RHEUMATISM.** When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, E. C. writes June 3, 1903: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c and \$1.00. Woodard, Clark & Co.

### JILTED PASTOR WHO ASKED HAND IN MARRIAGE

Preacher Who Talked Against Remarriage of Divorced Persons Popped Question.

(Journal Special Service.) Chicago, Aug. 17.—Mrs. C. K. McFadden set Oak Park tongues wagging today by publicly announcing that Rev. Sidney Strong asked her to be his wife, and that she "threw him down." Mrs. McFadden is a divorced woman. Up to this time she has kept silent as to what was the basis of her statement, but in the light of the fact that Dr. Strong, as pastor of the Second Congregational church of Oak Park, was formerly accustomed bitterly to condemn the remarriage of divorced women she thought the truth might be interesting. Mrs. McFadden's categorical statement as to the status of the engagement was as follows: "I am not engaged to Dr. Strong and never was engaged to him. Four or five weeks ago he came to me and proposed. I declined. My principal reason for rejecting him was that my father and mother objected."
