ANIMAL CLOWNS CAUSE OF FUN IN MENAGERIE

Monkeys With Peculiar Habits Provoke Merriment Among Visitors to Circus.

The menagerie department of the Adam Forepaugh-Sells Bros.' circus, which exhibits here Monday and Tuesday, enjoys in addition to its entertaining features a wealth of fun and humor. The monkey cage holds a fascination for many. There is a Siamese monkey in a cage with several others, who for some reason will have nothing to do with him. This ostracism separates the Siamese and whenever he gets a chance he would grab one of the others by the tail, drag him all over the high perches and drop his victim with a dull thud.
