(Special Dispatch to The Journal.) Camp Tacoma, Aug. 21.—In a brilliant and spectacular engagement this morning the Second brigade of the Brown... Colonel Gantenbein's command was successful in problem presented to them.

WOODCHOPPER IS RELEASED; EVIDENCE IS WANTING

John Peterson, a woodchopper, who was arrested two weeks ago by Detective Hartman on suspicion of being the... evidence is wanting.

ALASKA MEETING IS NOT WELL ATTENDED

A meeting of the joint committee on Alaska steamship matters under consideration by Portland commercial bodies was held last evening at the Commercial club, but was not well attended.

PRETTY WOMAN HOLDS UP CITY'S PHONE SYSTEM

(Special Dispatch to The Journal.) Walla Walla, Wash., Aug. 21.—Mrs. Henry Kuhl, wealthy and strong, has held up construction work on the city's new telephone system at the headquarters of the water system by chopping down half a dozen poles in front of her farm.

LYNCHING BREWING IN ATLANTA, GEORGIA

(Journal Special Service.) Atlanta, Ga., Aug. 21.—Arthur Reed, a negro, and two black companions are held in jail awaiting identification as the alleged slayers of Ethel Lawrence in the suburbs of this city yesterday while the girls were in the garden of their home.

CANADIANS ARE TO PROBE BEEF TRUST

(Special Dispatch to The Journal.) Victoria, B. C., Aug. 21.—In order to ascertain the reasons for the difference between the price of beef to the consumer and the price paid, producers for the western provinces of Canada are appointing commissioners to meet early in Calgary, Alberta, Saskatchewan, Manitoba and British Columbia, and will send representatives. In addition, the commission will go into the question as to the sanitary conditions of the abattoirs, etc.

HE WANTED TO SEE HIS MOTHER SO HE STARTED TO WALK HOME

If you happened to be a healthy lad of 14 and were lucky enough to be sent to the seashore with 30 other jolly boys of your own age, where you camped out under the stars at night and went in swimming every day, where you could play in the sand and just slather your body with suntan and then go swimming like it is in short, where you could flounder with your bare feet, take a cab with your bare toes and tickle jellyfish under the stars at night, you would like it in short, where you could have just oodles and oodles of fun without even having to say your prayers at night, do you think you would get homesick and want to go home?

SAYS BLACK BASS KILL SALMON

Packer Explains How Their Presence in River Will Make Annual Pack Short.

SALMON MINNOWS ARE GOBBLED UP BY FISH

Walter Seaborg Declares That Within Few Years Public Will See Ill Results of Stocking Columbia With Foreign Fish.

"I would like to see somebody get out a big stick for the fish commissioner who authorized the stocking of the Columbia river with black bass, trout and other fish foreign to the Pacific northwest. They express surprise that more effective precautions are not taken and that laws are not more stringently enforced for protection of the fish which is the greatest visible asset in this country."

HE HAD NEVER HEARD OF SENATOR MITCHELL'S DEATH

Such is Declaration of Teamster Juror Examined in Federal Court.

AMATEUR HIGH FINANCIER IS UNDER ARREST

Whyte is Supposed to Be the Drinkwater Who Passed Bogus Checks Here.

RED CROSS APPEALS FOR AID FOR CHILE

Washington, Aug. 21.—The Red Cross society today sent the presidents of local Red Cross organizations a letter urging them to issue appeals for contributions for Chile.

OPPOSED BY LABOR.

Mayor Lane Vetoes Ordinance Giving Him Right to Use Part of Sidewalk.

HELIX MAN ARRESTED IN HARVEST FIELD

(Special Dispatch to The Journal.) Fenelon, Ohio, Aug. 21.—A man named William Baker was arrested in a harvest field near Helix today, charged with grand larceny in Ohio. He was arrested by Marshal John Griswold of Helix. The prisoner denies the charge and was brought to Fenelon, where he is being held in the county jail awaiting word from Ohio.

POLICE CHIEF KILLED BY EXPLODING BOMB

(Journal Special Service.) Warsaw, Aug. 21.—The chief of police of Bledice was killed by a bomb this morning. Two constables and a woman standing near were wounded. The assassin escaped.

M'COY IS MILITARY AID TO PRESIDENT

(Journal Special Service.) Washington, Aug. 21.—Frank R. McCoy, Third cavalry, is appointed military aid to the president.

TRING TO REPEAL TOM JOHNSON COURT RULES

Obstruction in Pudding River is Not Nuisance, Supreme Justices Say.

FOREIGN SHEEP TAX IS NOT UPHELD ON APPEAL

Damages Awarded Resen Against Umatilla County Are Adjudged as Just and Circuit Court Opinion is Sustained by High Tribunal.

(Special Dispatch to The Journal.) Salem, Or., Aug. 21.—In the supreme court today the following opinions were handed down: The Parkersville Drainage district vs. William Francis and Walter Vattier, appealed from the district court of Marion county, reversed and dismissed. In 1848 William Parker built a dam across Pudding river, which backed the water five miles. Three years ago a drainage district was formed, including this land. Just above this was 53 acres patented by the government to the state in 1881, and title vested in the Miller heirs.
