Rest the Stomach

Nothing will cure indigestion that doesn't digest the food, itself, and give the stomach a perfect rest.

You can't reasonably expect that any weak stomach will regain its strength and get well when it is compelled to do the full work that a sound stomach should do.

You wouldn't expect a sick horse to get well when it is compelled to do a rull day's work every Your stomach must have rest. But it isn't necessary to starve your-

Cures Kidney and Bladder Diseases in Every Form-Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptons of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order. If you are sick Foloy's Kidney Gure will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

HOW TO FIND OUT.

You can easily determine if your kid-neys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and Feley's Kidney Gure should be taken at once.

Foloy's Kidney Gure is pleasant to HERBERT NESS HURT take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

(Special Dispetch to The Joarnal.) Freewater, Or., Aug. 29.—At Free-water today the first round in the legal battle which is to test the right of a saloon to exist in this city will be fought. A complaint has been made against McEirath, the new saloonkeeper here. The first case will be tried today, with District Attorney Phelps present for the state. In behalf of the saloon-man the district attorney will seek to prove that the last local option election at Freewater was illegal because only the county judge signed the order for the election. At the time District At-torney Phelps advised that the judge was alone competent of signing the order.

St. Paul, Minn., Aug. 25.—Nearly 500 leading jurists and members of the bar filled the hall of the house of repre-sentatives of the state capitol this morning, when President George R. Peckr of Chicago called to order the twenty-ninth annual meeting of the American Bar association. After thank-ing the Minnawita representatives of the few days. All the grading is done and the bridge over Mill creek is practically complete. One of the safeguards is that all the material to be used in construction is si-ready on the job. The work cannot be delayed on account of railroad conges-tion, lack of freight cars or anything of that kind. The managers intended to make good and used the precaution of having all the material on the ground several weeks before it was necessary to use it.

After stating the object of the asso-ciation President Peck proceeded to re-view the most noteworthy changes made in statute law in the several states and by congress during the past year, giv-ing the most salient features of the new enactments. In commenting upon the legislation thus summarised, Mr. Peck said that the association, in pro-moting uniformity of legislation, wishes that object effected by a general ac-ceptance of the best forms of legisla-tion and not by bringing about a gen-eral uniformity. The president's ad-dress was listened to with closest at-tention by the distinguished assemblage and several times the speaker was in-terrupted by applause. The president's address was followed by the annual re-ports of the secretary, treasurer and

terest only to the members of the as-sociation. No general session of the association was held this afternioon but there were conferences of the several sections. William Draper Lewis of the University of Pennsylvania and Charles M. Hep-burn of Indiana university spoke be-fore the section of legal education. The program arranged for the session this evening of the general association provides for papers by Roscoe Pound of Lincoln, Nebraska, on "The Causes of Popular Dissatisfaction With the Ad-ministration of Justice," and by John J. INTERNALLY BY FALL

(Special Dispatch to The Journal.) Silvertion. Or., Aug. 28.—Herbert Nems, son of A. S. Neds, who lives one mile east of this city, was injured in-ternally by falling from a scaffold while at work on a barn at his father's farm. The young man was brought to the city and is now receiving medical attention at the Cottage hotel, but his recovery is said to be very doubtful. Ho fell a distance of about five feet, striking his side against a stump.
