# KELLY'S FRIENDS ENJOY LAUGH

### Trainer Christie of Berkeley Says That Snedigar Can Beat Oregonian.

### WHAT PAT M'ARTHUR SAYS ON THE SUBJECT

### Graduate Manager of Oregon Claims That Kelly Can Beat Californian Any Day, for Any Distance, for Marbles, Chalk or Currency.

Friends of Dan J. Kelly, Oregon's speedy sprinter, are rather amused over Walter Christie's assertion that Snedigar of California is faster than the Baker City lad. Christie, who is trainer at the University of California, does not believe that Kelly ran 100 yards in 9 3-5 at Spokane last June, and he goes on record as saying that Snedigar can defeat Kelly in both the 100 and 220-yard races.

"Christie is simply talking to hear the sound of his own voice," said C. N. McArthur, a graduate of the University of Oregon and formerly manager of athletics at that institution, this morning.

"Snedigar never saw the day that he could defeat Dan Kelly when Kelly is at his best. Snedigar has never run faster than 10 seconds and the idea of his defeating Kelly is simply absurd. The Oregon boy was credited with 9 3-5 at the Spokane meet last June. There has been some question about this time, but nobody who saw Kelly run last spring denies that he is a 9 4-5 man. He can make that time in most any meet, and I expect to see him do it several times next season, provided the circumstances are favorable. When it comes to the 220-yard dash, Kelly is the fastest amateur in the world today. He can beat Snedigar at any mark in the road for money, chalk or marbles."

Kelly will not enter the meet at Berkeley next month, as reported in yesterday's Journal. He recently underwent a slight operation at Eugene and while he is on the high road to recovery, he will not participate in athletics for some time. Oregon and California may hold a dual track meet next spring, and if Christie and his followers have any coin of the realm to bet against Kelly, they will be accommodated by communicating with any Oregon supporter.

# Twice-Told Testimony

### Portland People Are Doing Al They Can for Fellow Sufferers

Portland testimony has been published to prove the merit of Doan's Kidney Pills to others in Portland who suffer from bad backs and kidney ills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Portland people saying that the cures they told of years ago were permanent. Here's a Portland case:

Mrs. A. S. Cummings of 244 Clackamas street, Portland, Oregon, says: "Kidney complaint and backache clung to me for a long time and often I suffered very severe attacks of it. Sometimes it was a dull, heavy aching over the kidneys, and again sharp acute pain in the small of the back. The kidney secretions passed too frequently and often with pain. I had tried several remedies with poor results and was finally induced to use Doan's Kidney Pills. This remedy helped me very quickly and continuing the treatment I soon found relief from the aches and pains and the action of the kidney secretions was also strengthened to a great extent. I recommended Doan's Kidney Pills in our papers three years ago. I am always pleased to say a good word for this remedy and am glad of this opportunity to confirm my former testimony."

### PORTLAND SCORES AN EVEN DOZEN RUNS

### Henderson, Too, Was Touched Along for Six Runs, Due to Opportune Hitting and a Few Miscues—Story of the Sad Contest.

(Journal Special Service.)

Los Angeles, Oct. 4.—The Giants found Nagle's pitching to their liking again yesterday and batted him to the far corners of the earth, making 16 hits and a dozen runs. Nagle's sore finger was a handicap to him and whenever he put the ball over the plate the visitors smashed it to safe territory. Henderson pitched for Portland and while he allowed but six hits, each one was made count and the Angels tallied 6 runs.

The feature of the game was a running one-handed catch by Nagle. The score:

**SAVED HIS LIFE.**

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: 'I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty-cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." Sold by Woodard, Clarke & Co.

Indifference and neglect of the first symptoms are responsible for thousands of human wrecks, failures in life and business, insanity, suicide, etc. Why take such desperate chances? The manifestations of the first symptoms of any disease or weakness should be a warning for you to take prompt steps to safeguard your future life and happiness. You should carefully avoid all experimental, dangerous or half-way treatment, for upon the success of the first treatment depends whether you will be promptly restored to health again, with all taint of the poisonous disease removed from your system, or whether it will be allowed to become chronic and subject you to future recurrences of the disease, with the various resulting complications, etc.

In all diseases of men, we have found, after making a thorough scientific research, that there is a tendency toward the degenerative process of the parts affected; it is also true in both sexes, but as we treat MEN ONLY it comes more forcibly to us, and through our "long-tried and satisfactory treatment" we are able to rebuild the degenerative process, causing a regeneration of healthy tissue in every respect.

We wish to lay special stress upon our method of treating Blood Poison and Syphilis without using mercury.
