

TESTIMONIAL UNDERWAY

Baseball Fans and Citizens Are Showing Their Appreciation of the Giants.

BUSINESS MEN MAKE SUBSTANTIAL GIFTS

All Hands Wanted to Help in the Good Work So the Tokens Will Be an Expression of Appreciation of the Entire City.

The movement to give the Portland Giants a suitable testimonial, although only started yesterday morning is well under way and citizens anxious to show their appreciation have come forward with a will. If every day bears the same fruit that yesterday did it will only take about a week to get the necessary fund. The committee yesterday met and it was decided to give each player a medal watch fob that will cost about \$25 each. As 17 of them will be required they will cost between \$400 and \$500 and \$100 was subscribed yesterday it will only take four or five days to complete the fund if every one is as liberal as the donors that have already put their names on the list. Among the larger contributors yesterday was the Portland Railway company, which no sooner heard that a testimonial was being planned than they sent a substantial amount. Other subscribers to the fund who appreciate the work of the Giants were Stutz & Howland, Tom Richardson, Gus Moser, A. H. Devera, Jefferson Myers, A. G. McClane, Dr. George Almsie and other prominent citizens who have been frequent spectators at the games at Recreation Park. The subscription lists placed at the different cigar stores in the city have been liberally signed during the day.

Appeal to Fans.

It is hoped that every fan in the city will contribute no matter how small, for the object is to make the testimonial an expression of as many citizens as possible.

The committee to select the token will meet on Monday and settle the design. It will in all probability be a watch fob medal that is a watch fob with a significant emblem arranged that it can either be worn as a medal or as a watch fob. Several pretty designs have been secured by the committee and these will be considered Monday morning and a selection made.

Judge McCredie was in Portland last evening and he said that the news of the testimonial had reached that city and that the fans of the Washington town wanted to take part. For their accommodation a subscription list will be sent to Vancouver on Monday and opened at one of the prominent fan centers. In addition to this donations can be sent to the newspapers and all contributions sent that way should be addressed to the baseball testimonial fund, care of The Journal.

A Benefit Game.

The game next Sunday at Recreation Park to help along the fund promises to be interesting. It will be the last game of the season in Portland and as no one in the city appreciates more the work of the Giants than do the amateurs, the latter will play to help along the good work. The top Gulls will put in the field their strongest team against the nine that Ed Rankin will manage and a good game can be expected. The time to subscribe to the testimonial is now and in whatever you can. Not only is it desired to have the fans take part in the fund but it is also hoped the business concerns will contribute and thereby show their appreciation of the men who have made the fame to Portland by winning the Pacific Coast League pennant.

TURN YOUR FACE INTO DOLLARS

Magy a Man Has Failed Because His Face Was a Picture of Calamity.

It takes sunshine to produce a rose, a perfect rose. And a face that is successful, must have sunshine inside. The life which has it not, which has no health and no happiness, is sour, curly, pessimistic, and a failure. The world already has too many vinegary faces that breathe ill-will and strife. The world wants joy, comfort, sunshine, and will cling to the man who has it, who radiates gladness and triumph wherever he is, and under all circumstances.

Some people have a genius for seeking out the disagreeable, the crooked, the bad and the ugly. These are the destroyers; they travel in schools, they herd together, they love the business and the cheerful part of the world will have nothing to do with them.

And why is it that so many peddle disaster knowing at the same time that if they do, their lives will be ruined? Some people cannot help it, for pessimism usually comes from bodily disorders, and this cannot always be prevented. The stomach, for instance, is the most common cause of discontent, sour face, rheumatism, indigestion, lack of ambition. A bad stomach—there is the secret of many a failure. Anyone can have a good stomach, a strong stomach, a stomach that can take care of anything and everything that is put into it, no matter whether it is a very bad stomach now or not. Then why not have it?

Stuart's Dyspepsia Tablets do this very thing. One ingredient of these little tablets digests 3,000 grains of food, and no matter how bad is your dyspepsia, or indigestion, these tablets will digest everything in your stomach, thoroughly and completely, and better and quicker than a healthy stomach can do the same thing. Stuart's Dyspepsia Tablets will cure quickly loss of appetite, brash irritation, burning sensations, nausea, heartburn, eructations, loss of vim and spirit, bad memory, and dyspepsia and indigestion in their very worst forms. No other pills in the world can do so much. You should carry Stuart's Dyspepsia Tablets around with you wherever you go and take them after meals. Then only will you realize what it is to enjoy a meal and what perfect digestion means. Your whole body and your mind will feel the effect; your vim will increase, you will be more satisfied with what the world does, you will think bigger, and be happier and your face will be one of supreme contentment. That will bring you success and then more success. Your face will bring you dollars. Try it. It will cost you less for a package of these wonderful Stuart's Dyspepsia Tablets at any drug store on earth.

CALIF SHUTS OUT THE TIGERS

Portland Scores Another Victory Over Fresno on Cartwright's Poor Play.

HOAG HOLDS GIANTS DOWN TO FIVE HITS

Fishermen Are Outclassed at Every Stage of Contest and Leaders Annex One More Game—Tigers Gather but Three Lonely Hits.

(Special Dispatch by Leased Wire to The Journal) Fresno, Oct. 13.—Portland shut out the Kalain Batters today in a fast game. Calif. was on the firing line for the Webfoot and Mike's bunch were unable to find him for but three hits. Hoag pitched for Fresno and did good work. An error by Cartwright in the second inning was responsible for Portland's two runs. Score: PORTLAND: AB. R. BH. PO. A. E. RANDOLPH BLANKS THE SEATTLE PLAYERS

Red-Headed Twirler's Curves Were Too Elusive for the Seattle Siwashes.

(Special Dispatch by Leased Wire to The Journal) Los Angeles, Oct. 13.—Los Angeles 1, Seattle 0. Virgil Garvin took his medicine today. There was not much of it, but it was enough. He blanked the locals for six innings, but in the seventh the lone run won the game for the southerners. The least he had all his curves and shoots well oiled and in good working order, but in a careless moment he slipped over a fast one and Captain Dillon straightened it out to the fence. Up to the seventh it looked like an extra inning fight. The seventh opened up with a walk. Cravath took it. Brashear poked one down to Streib, advancing Wooden Shove. Dillon gave the safety header to the left. Streib smashed the next ball into center for a very fancy single. Cravath scoring from second.

CALIFORNIA WINS FROM STANFORD

Annual Freshman Game is Won by the Boys From Berkeley.

STANFORD'S MEN ARE BEATEN TO A FINISH

First Match of Rugby Football is Played at Palo Alto and the "Babies" From Prex Wheeler's University Emerged Victorious.

(Special Dispatch by Leased Wire to The Journal) San Francisco, Oct. 13.—The first intercollegiate contact played under Rugby rules was won by the University of California freshmen today and the joy of the Blue and Gold adherents was intensified by the fact that they had taken their traditional enemies into camp on their own campus. The Rugby was on trial and came out victorious. Berkeley won, and it must be said for the California "Babies" that they deserved their victory. The first half was even, but the second had hardly started when the boys from the state university began to show their superiority. They fairly smothered the Stanford men in the scrum, and in the open field they played with a dash and determination that could stop at nothing but victory. Attack after attack was made on the Cardinal goal line, but the class of 1914 at Palo Alto is composed of fighters and Berkeley had a hard task on its hands. A penalty kick within range of Stanford's posts was taken by Johns, and the ball missed by a few inches, another was awarded the Blue and Gold and again Johns took the kick. The ball passed fairly over the bar, but the referee refused to allow the score on account of the failure of the California team to kick from the right place.

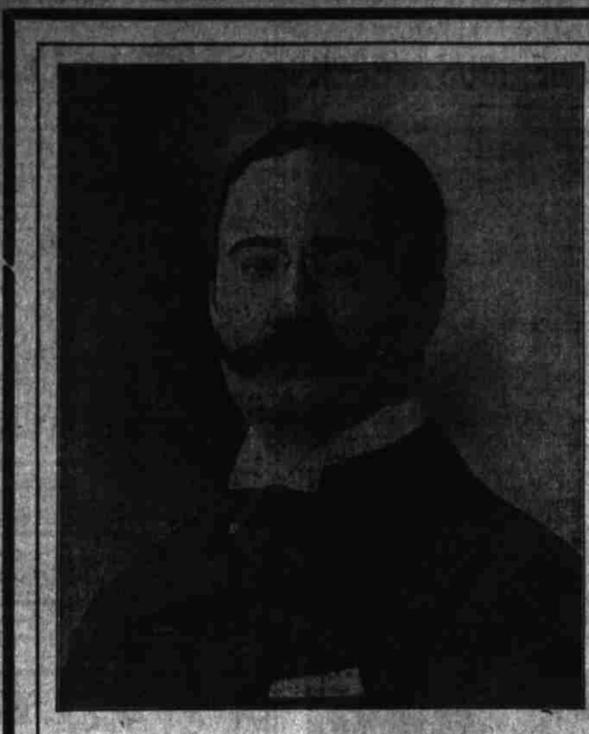

The Exciting Scenes. Then Miller got the ball up and essayed a drop kick at goal. This effort failed by a couple of feet, the ball falling in front of the crossbar. These close shaves had both sides worked up to a fever pitch. Stanford was cheering their men for their stubborn defense. Berkeley's supporters, realizing that their team had the upper hand, were urging them to further efforts and in the midst of the frenzied excitement Johns made a fair catch of a kick from Faulkner on the Stanford 10-yard line. It was a hard place to make a goal from, as the ball was within five yards of the side line. Johns was chosen to make the attempt.

Then came the climax to the pent-up excitement of the spectators. Amid a push that could be felt, Johns took his kick, and when the ball was seen sailing squarely between the posts, the shrieks of the Berkeley partisans were ear-piercing. The players hugged each other and the game was won right there. Three points and only four minutes more to play. Encouraged by their success the Blue and Gold turned loose and played a dashing game. But the more they strove the firmer became the defensive. The ball stayed in Stanford territory, but occasionally the red-shirted Stanford men broke away and gave their supporters a chance to wave the cardinal flags and cheer for their colors. It was without avail. Berkeley, with victory in sight stayed strong to the end and when the whistle sounded they had their opponents close to their goal and fighting desperately for every inch of ground. The pistol shot, an innovation which Dave Brown introduced to announce the end of the stipulated time, found the Berkeley freshmen with three points to their credit, and nothing to show on Stanford's side of the score board.

HILL MILITARY AND PACIFIC VARSITY TIE

(Special Dispatch to The Journal) Forest Grove, Or., Oct. 13.—A scoreless game was played this afternoon on the local grounds between Hill Military academy of Portland and Pacific university. Daring the first part of the game Hill played in the varsity's territory, and the first half resulted in neither scoring. The stars for the home team were Brown, Ferrin and Captain Ward.

The second half showed more strength in the Pacific's line. Hill skirted the end of the 'varsity' at ease, but when they tried to buck the line a solid wall always met their efforts. Hill used the

CORVALLIS ELEVEN WINS ITS FIRST CONTEST

Agricultural Men Prove Too Heavy for the Albany Athletic Club's Team.

(Special Dispatch to The Journal) Corvallis, Or., Oct. 13.—Twenty-two to nothing in favor of the Oregon Agricultural college against Albany Athletic club team was the score this afternoon on the local field. Albany's defeat was due to lack of practice, light weight and slowness on signals. Nervous men are nearly all new. Cherry, at guard, was the only last year's man in the game. Wolfe, the new fullback, and Darcy at half played a star game for the Agric, each proving good ground gainers. The local sports are pleased at the showing of the local eleven and predict a good season. Coach of Albany did excellent work for his team in the punting line. Ward also proved a good man for Albany. The O. A. C. line was invincible, the victors trying to pierce it repeatedly in vain. The suborns were forced to punt constantly after trying to run around the ends or break the Oregon line. It was the first game of the sea-

MISS CURTIS WINS THE GOLF CHAMPIONSHIP

(Special Dispatch by Leased Wire to The Journal) West Newton, Mass., Oct. 13.—Miss Harriet R. Curtis of Boston, playing from the Essex County club, today won the woman's national golf championship by defeating Miss Mary B. Adams, also of Boston, playing from the Wollaston Country club, in the final of the event. Fully 1,000 persons were present; the play began and the crowd increased at every stroke. The weather was made to order, being the best of the week. The wind was so light that the branches of the trees hardly moved, while the sky was cloudless and the sun bright. Best of all, the course had nearly dried from Thursday night's rainstorm and nothing but the excessive nervousness of the contestants stood in the way.

SALEM HIGH SCHOOL WILL NOT PLAY COLUMBIA LADS

(Special Dispatch by Leased Wire to The Journal) Salem, Or., Oct. 13.—Manager William Mott of the high school football team has received a communication from the Columbia university manager of athletics for the arrangement of a game between the two institutions. The date proposed is October 27, but it is not probable that the schools will meet on the gridiron this year. The locals mean to stick strictly to high school teams and are too light to meet university teams.

BROWN PITCHES RECORD GAME AT OAKLAND

Seal's Twirler Holds Commuters Down to No Hits and No Runs.

(Special Dispatch by Leased Wire to The Journal) San Francisco, Oct. 13.—Fred Brown pitched a no-hit no-run game at Idora Park today. The Seal twirler's only slip was in hitting Devereaux with the ball. Brown's performance of holding a team down to no hits and no runs equals the feat of Bobby Keefe last year. The score: BY INNINGS. Dear Sir: Permit me to state a few words in behalf of your scientific work in fitting eyeglasses. You are entitled to the gratitude of all unfortunate who are compelled to use glasses in aid of eyesight. I have been wearing glasses for several years; have been fitted by different doctors, but I must admit that the ones you fitted to my eyes are the best and the most satisfactory of all that I have had. I have put you down in my opinion as the most scientific optician I have ever met, recommending you to all my friends.
