THE OREGON DAILY JOURNAL, PORTLAND, FRIDAY EVENING, OCTOBER 19, 1900

ly be guessed at. Brief Notes of the Trade

Brief Notes of the Trade. There is as put no outside demand for onlona. Grapes are sulling rather slow on account of the cooler weather. Notwithstanding the cool weather several firms along the street are displaying water-meions. They say there is some demand. Hothouse lettice remains a drug on the mar-tet, with most of the supplies going to waste on account of the lack of demand. The trade pays the following prices to Front street. Prices to shippers are less commissions: Grain. Flour and Fred. GRAIN BAOS-Calcutta. Side buying price; sulling. cite 55.

WAS SHE INNOCENT? Clever Questioning of Experts Se-

County Clerk Fields had to go to the to-be was Sydney Vough and the license ourthouse at 7:30 o'clock last night and was issued.

country carrier rices many because Edward Ward did not know how to spell his fisncee's name. Mr. Fields says he does not appreciate having to go to the of-fice at night, and would be better sat-isfiel if young men who want marriage licenses would consult their best girls names before they appear at the court-house. Yesterday afternoon Edward Ward ap-

house. Yesterday afternoon Edward Ward ap-peared at the courthouse and asked for a marriage license. He took E. W. Cox with him to make the necessary affi-davit. Ward shid the name of his bride-ince.

medical experts will probably produc in court the glass tubes containing th drug. You must as them whether the tested the tubes for arsenic before the experimented with the fluids." "I see the point, eagerly interrupte the youthful lawyer. And if the should admit that they neglected make that test? "Then you will put your question i this form: "Is not arsenic used in th manufacture of some kinds of glass" "The lawyer soled on the doctor" suggestion. The principal medical en-pert seemed taken by surprise, an finally admitted, after some beatim about the buish, that he had not teste the tubes for arsenic. He was also in

ort of the

cures Release of Pretty Woman.

At the Metropolitan club, in Washington, a group of lawyers were discussing the value of expert medical testimony, when a well-known criminal lawyer was reminded of a curious case in Richmond

some years ago. "At that time,' said the lawyer, "about the most prominent physician in the community was an exceptionally learned and able medico whose name for obvious reasons I cannot give. For about the bush, that he had not ten the tubes for arsenic. He was also duced to concede that arsenie was set times used in certain kinds of gines. "The young counsel, having obtain these two answers, was clever enough cease his cross-examination at i point. "When he came to the summing up the purposes of this story, it will suf-fice to refer to him as Dr. Morgan.

Lincoln, Neb., Oct. 19.—The federal grand jury today indicted 27 individuals, alleging frandulent land entries and sell-ing liquor to Indiana. Some of the moat prominent Nebraskans are said to be involved, though the rames are withheld. The president has ordered withheld. The president has ordered to be the president has ordered.
