

WILLIE CATCHES A "BURGLAR"

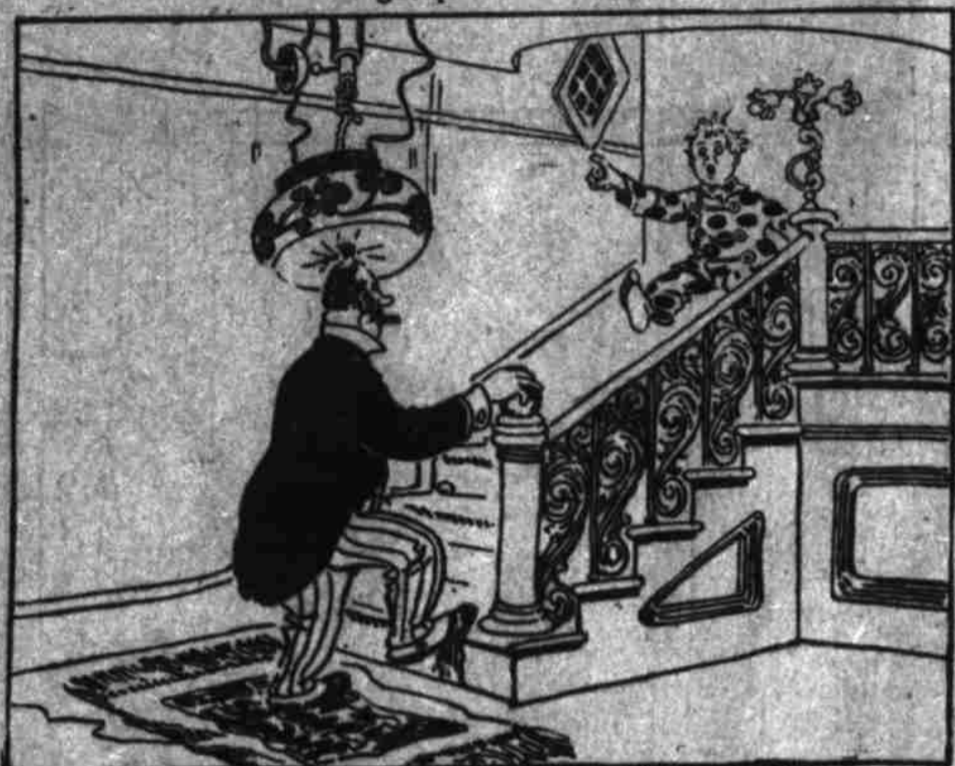

Dear Tommy—We had another burglar scare the other night and Papa got quite excited.

Then I got busy and made a burglar trap like this.

The first night I tried it I forgot it was Papa's lodge night until I heard the front door slam.

I rushed downstairs, but Papa had already sprung it.

My, but it had him wound up tight!

It took Mamma and I about half an hour to get him loose.
Yours, Willie.

THE ALMOST FAMILY--THEY RENT A HOUSE? NO!
