The victorious Oregon team arrived in Portland this morning and will remain over to witness today's game between Multinomah and Whitman. In speaking of their victory over Idaho, Captain Chandler said: "Our boys were greatly handicapped by the 16-yard rule and we were compelled to play a kicking game. We suffered no injury whatever and played our team intact throughout the game. We have nothing but praise for Mr. Hockenberry of Portland, who umpired the game. His decisions showed that he understood his business and every decision rendered by him was absolutely honest and fair. We will now continue training harder than ever for the games to come, especially the Multnomah game on Thankegiving. From the color of the sky today I have reazons for believing that we will trounce the club men this year."

# THIRD MULTNOMAH

Interesting Contest Ends Elever to Ten in Favor of the Better Trained Team.

The Portland High school football team defeated Third Multnomah yesterday afternoon on Multnomah field by the score of 11 to 10. The contest, while not a star exhibition of the college sport, was an interesting and lively affair. The High school lads showed better team work and better condition. The Multnomah beys have strength and speed, but lacked the qualities of condition and team work. There were several pretty runs made. Kerr made two corking good runs.

Coach Henderson's boys of the High school are a lively lot and will make all comers step lively before the season is over. With more practice the clubmen should develop a powerful aggregation. The lineup:

Mrs. Captain C. G. Groves of \$24 Raleigh street. Portland, Oregon, says: "Lapse of time has not lessened the confidence I have had in Doan's Kidney Pilla since February. 1963, when I publicly recommended this remedy. I had used it in treating kidney trouble of several years' standing. It originally started with duil aching in the small of my back over the kidneys. Coids aggravated the trouble and made the pain sharp and acute. Any extra exertion would bring on a prostrating attack. I had tried various remedies for the trouble without awall, but Doan's Kidney Pills began to help me right after I started using them. They gradually banished the backsche and pain in the loins, strengthened the kidneys and helped me in every way. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. My heart would beat so fast I could not sleep, at times I would almost draw double with pain in the pit of my stomach. I lost twenty-five pounds; in fact, I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol Dyspepsia Cure. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited." Yours very truly, JAKE C. MOORE.
