PERSONAL.

NOW IN PORTLAND.
The World's Famous Face Expert, Founder of the School of Dermatology in New York City and Paris, Wash.

Ina Mora Cauffman, doctor of skin, scalp, stomach, bowels and nervous troubles for women and girls from 16 to 60. I will tell you your face value in everyday Domestic, Business and Professional life, with a condensed summary of what can actually be done to improve your Personal Appearance, which your countenance illustrates. I have no nostrums or so-called skin foods for sale, but I teach you by charts to deal with yourself and yourself only. In three lectures I can demonstrate to you that you are your own keeper. You will see and realize that all the possibilities of life, health and physical perfection and beauty are in your own hands and not of those who shamefully and crudely imitate those so-called "experts in dermatology" who do not know what the word means. (For those misled, half-educated women, both in business and visiting maids, I will give a post-graduate course.) I lecture and teach as I treat, treat and teach as I lecture, thus putting you into your own hands for your future safety, comfort, health and perfection. I give the IMMEDIATE PROCESS for all defects of the skin, from the tiny little crinkle, wrinkle, to pock pittings and superfluous hairs. Keep your face value up to the limit. I offer to cure without charge the face of anyone suffering from a severe case of acne, eczema or any skin disease or offensive looking features, even though it has been pronounced incurable, if the patient will allow me to cure one side of the face at a time and agree to remain at my office or on exhibition at a certain drugstore for two weeks during treatment. This offer is open to anyone. I have secured the assistance of Mme. Madeline Linwood, an expert Physical Culturist, and authority on Hygiene, who will lecture to you on the physiology of woman, obesity, form development and flaccid busts. I invite you to come and see my charts and if in need have my personal attention in this wonderful work for all women from 16 to 60. Office hours from 9 a. m. to 9 p. m. Sunday from 10 to 12. Appointments made for treatment at your home.
