TOMORROW

(COR. KNOTT ST.)

Its Splendid New Department Store

THE EMPORIUM

554, 556, 558, 560, 562 and 564

Williams Avenue Cor. Knott Street,
One Block North of Russell Street

Will Open Its Doors Tomorrow Morning at 8 o'Clock

And will offer to the public an array of bargains such as no store in Portland ever presented to the world before. WE ARE GOING TO HAVE PEOPLE COMING TO OUR STORE FROM ALL PARTS OF PORTLAND, South to Sellwood, Southeast to Woodstock, East to Montavilla, Northeast to Woodlawn and Vancouver, North to St. Johns, and on the West Side from the Fair Grounds to River View Cemetery, and before a year we will be filling mail orders from all parts of Oregon and Washington. This because we have selected an inexpensive location in which to transact our business, because we shall sell at enormously low prices and GIVE EVERY MAN, WOMAN AND CHILD A SQUARE DEAL, NO MATTER WHAT THEY BUY.

Do Not Forget That Tomorrow's the Day

It will mark a new epoch in merchandising in our populous part of the city. It will begin an era of low prices for every mortal necessity of the human family, and the great EMPORIUM, corner Williams and Knott Streets, Albina's new Department Store, which will open its doors at 8 A. M., will be the citadel—the fountainhead—will be the distributor of values so great—values so monumental—values so amazing—values so magnificent—that its management believes it will attract to its counters and shelves patronage of people not only of Albina—not only of the tributary region—not only of its neighbor, St. Johns—not only of the Woodlawn section—not only of the entire East Side—but of great numbers from the West Side of the Willamette river

The Emporium Will Not Be Merely a Local Store

Any more than is its great namesake in San Francisco, that draws its patronage from southward to Arizona and northward to Oregon. We are here because it costs less than half to do business on this than it would on the other side of the river. For this reason

We Can Skin Any West Side Merchant on Prices, and He Cannot Help Himself

We can save every patron \$2.50 on every \$10.00 worth of goods bought from us, and on Men's and Women's Clothing a great deal more than this. No West Side dealer can talk like this—not on his life! Our manager was for years with the San Francisco Emporium, employing hundreds of sales people, and therefore understands large merchandising. He is a man of wide experience in every detail of the business, knows exactly how to buy, and EMPORIUM PATRONS SHALL HAVE THE ADVANTAGE OF EVERY ATOM OF HIS KNOWLEDGE.

All St. Johns, U and R-S Cars Carry Passengers to Our Store, the U and St. Johns Cars Passing Our Store and the R-S Cars Running Within a Block of Our Premises
