LEONCAVALLO HAS MEDAL GIVEN HIM BY POPE Was Presented in Commemoration of Composition of New Ave Maria.

lyric artists which will appear at the Heilig Monday afternoon and evening. Among many other decorations which the leader might wear is a medal from his holiness, given in commemoration of his composition of the new "Ave Maria." This "Ave Maria" will be sung here by Madame Calvi. Those who are familiar with that famous hymn will be interested in Leoncavallo's conception of the rhapsodical music which is said to have won the highest praise from the pontiff. Recently Leoncavallo composed a new march known as "L'America" and presented it to President Roosevelt. The chief executive has shown marked appreciation to the composer in personal letters. It is not generally known that "Roland of Berlin," which is known abroad

as Leoncavallo's work, is partly the product of Kaiser Wilhelm. The opera is really the result of the two celebrities. Leoncavallo's Portland engagement is attracting great attention and the sale of tickets promises a crowded house for both the matinee and evening productions at the Heilig Monday. SECOND ENTERTAINMENT OF SERIES IS PLANNED The second of the series of entertainments given by the campaign committee of the Woodmen of the World of this city will be given in the east

side Woodmen's hall, East Sixth and Alder streets, Friday evening, and will be under the auspices of Multnomah Camp No. 71. A short program has been arranged, consisting of music, addresses, boxing, a tug of war, a pillow fight and other amusements. The contestants in the events scheduled will be members of Multnomah and Webfoot camps. Refreshments will be served. These meetings are for Woodmen and their men friends. A lively interest is being manifested, especially by the camps contesting in the scheduled events. There's always something wrong, something to do.

CITY ATTORNEY HAS WHITTEN CASE ENDED At the request of City Attorney McNary the charge of doing plumbing work without a license, that had been placed against A. L. Whitten, was dismissed by Judge Sears in the state circuit court this morning. Whitten was tried in the municipal court some time ago, found guilty and fined \$25 by Judge Cameron. Whitten, through his attorney, A. F. Flegel, appealed to the circuit court from the findings of the municipal court. The case was called for trial in the circuit court this morning, but was dismissed, and Whitten was discharged. He was accused of

doing plumbing work in a house at 817 Haight avenue. TENNESSEE PEONAGE TRIALS COMMENCE (Journal Special Service.) Knoxville, Tenn., Nov. 22---A special term of the United States court convened today to try the Blount county peonage cases. Oliver, James and Martin Gordon, Carl Burger, James Holland, G. B. Nightbird and Gordon Harrison. Of the witnesses for the prosecution, about 25 of them are negroes alleged to have been held in peonage at the camp. It is expected the trial will be one of the most interesting that has ever taken place in the federal courts of Tennessee.
