### Hop-Picker Who Killed Marshal Joe Krechter Gets Off With Manslaughter Verdict.

### JURY DELIBERATES FOR FOUR HOURS

### Never Considered Death Penalty, but Haggled Over Question as to Whether Trough Was Guilty of Manslaughter or Second Degree.

(Special Dispatch to The Journal.)  
Salem, Or., Nov. 22.—After four hours' deliberation, the jury in the case of Fred Bustrik, accused of killing Joe Krechter, marshal at St. Paul, brought in a verdict of guilty of manslaughter yesterday afternoon.

It is understood that the first vote was taken on the guilt or innocence of the accused and resulted in a unanimous verdict of guilty. But considerable discussion arose over the question as to whether the verdict should be manslaughter or murder in the second degree.

The defense was given until Saturday to file a motion for a new trial or arrest of judgment.

On retirement of the jury for deliberation Judge Burnett immediately called the case against W. R. Murphy, who is charged with the crime of riot in connection with the same tragedy. The jurors for this case are H. L. Mann, E. E. Matten, C. G. Given, George W. Johnson, Thomas Mapiethorpe, Jacob Wenger, Charles Doty, Homer Gouley, H. E. Van Devert of Salem, and Elmer Savage of Brooks, V. S. Brown of Silverton and John Girardin of Turner.

## TREASURER'S REPORT SHOWS OREGON FREE OF DEBT

### All Debts Have Been Paid—Nearly Half Million in Treasury.

(Special Dispatch to The Journal.)  
Salem, Or., Nov. 22.—The state treasurer's annual report shows that Oregon has no debt of any kind, all warrants have been paid and every county, except Malheur, has paid its state taxes.

The general summary of the finances of the state for the two years shows a balance of \$415,340.99 in the treasury, of which sum \$212,512.03 is in the general fund and \$71,828.05 in the common school fund. This shows that the idle funds in the school fund have been reduced from \$106,811.34 to \$71,828.05 in two years, the money having been loaned out at interest.

Of the irreducible common school fund there is invested in first mortgage loans, \$4,723,934.46, in school district bonds and warrants, \$325,225. The cash on hand is \$71,828.05.

Among the important recommendations made by the state treasurer are, that the inheritance tax be amended so as to apply to estates of \$5,000 instead of estates of \$10,000, and that the exemption of \$5,000 to direct heirs be reduced to \$2,500.
