## HIBERNIANS WILL CELEBRATE

Manchester Martyrs' Memories to Be Honored by Service This Evening.

"God save Ireland," said the heroes. "God save Ireland," say they all, whether on the scaffold high, or the battlefield we die; Oh, what matter when for Erin dear we fall."

The Ancient Order of Hibernians of Portland will meet this evening in Knights of Pythias hall, Eleventh and Alder streets, where they will revive again the memories of the "Manchester martyrs" hanged by the English courts for the liberation of Irish prisoners in November 22, 1867. On that date Wil-

iam Phillip Allen, Michael Larkin and Michael O'Brien were executed for having broken open an English prison van and aided in the escape of Captains Kelly and Deasy, Fenian leaders, who were being conducted to prison. In the disturbance one man was killed, and though the men convicted of complicity in the crime maintained their innocence they could find no respite from the decision of the court and were executed. Since that time loyal Irishmen have held annual meetings in commemoration of the heroes and the services this evening will be in line with this custom.

The program prepared for the meeting is as follows:
