CUBAN PROVINCES MUCH DISTURBED

Public Excitement in Santa Clara Over Resignation of Governor Aleman.

PLANNING DESTRUCTION OF BRITISH PROPERTY

Scheme of Revolutionists Is to Force Interference of Foreign Nations—Large Forces of Rural Guards Along the Railroads.

(Journal Special Service.)

New York, Dec. 18.—A cable to the Herald from Havana says:

While everything is officially reported quiet in all parts of Cuba, travelers arriving from Santa Clara say that the province is much disturbed. A woman who left there last night reports that her friends made strong efforts to have her postpone her journey on account of the public excitement over the resignation of Governor Aleman, who asserts he was forced from office by the policy of the United States provisional government to turn out the Moderates and give all the places to Liberals. She says she was told that Aleman had taken to the bush with 2,000 men to make war on the United States.

The first move, she had heard, would be to destroy the property of the United railway and other British lines in order to force England to take a hand in the situation and to embarrass the United States. This was so generally believed that some passengers left the train.

This woman reports that large forces of rural guards are being posted along the line of railway.

From another source it is learned that the train of Sir William Van Horn, going east, carried a heavy guard of troops.

Governor Magoon said last night he had heard nothing about any trouble in Santa Clara province.

SAVED FOR FOUR YEARS AND SECURES FORTUNE

Colorado Springs, Col., Dec. 18.—After waiting four years and scrimping and saving to meet the expenses of litigation, the W. M. Stockwell family of Colorado Springs is about to come into its own through the settlement of a Mexican estate valued at $1,425,000.

The death of Fred Shimbler of Brooklyn, New York, four years ago revealed a strange story. The man was of a nomadic temperament and had wandered to all parts of the world, accumulating unknown to his brother and sisters large interests in Mexico.

NEW PASTOR FOR THE FIRST UNIVERSALIST

The announcement was made Sunday that Rev. James W. Corby of Buffalo, New York, will come to Portland to take the pulpit of the First Universalist church, east side. Rev. E. C. Downey of Spokane, who was sent here by the general convention of the denomination to learn whether there was a field here for more extensive work, told the people of the church yesterday of his decision and of the probable appointment of Rev. Mr. Corby.

Men's Diseases Cured
To Stay Cured
My Fee $10.00

DR. TAYLOR,
The Leading Specialist.

I will treat any single uncomplicated ailment for $10 for the fee.

Different doctors have different ideas in regard to cures. Some call a suppression of symptoms a cure. They dose for drug effects and claim that nothing more can be done. But the real ailment remains, and will bring the real symptoms back again, perhaps the same as before, but very likely leave the patient in a much worse condition. I claim that nothing less than complete eradication of disease can be a real cure. I treat to remove the disease, and not merely the symptoms. I search out every root and fiber of an ailment, and I cure to stay cured.

You Pay for Cures Only

"Weakness"

I not only cure "weakness" promptly, but I employ the only treatment that can possibly cure this disorder permanently. It is a system of local treatment entirely original with me, and is employed by no physician other than myself. This may seem a broad assertion, but it is just as substantial as it is broad. So-called "weakness" is but a symptom of local inflammation or congestion, and a radical cure is merely a matter of restoring normal conditions throughout the organic system, and this I accomplish thoroughly and with absolute certainty.

Syphilis

I cure this leprous disease completely. The system is thoroughly cleansed and every poisonous taint removed. The last symptom vanishes to appear no more, and all is accomplished by the use of harmless blood-cleansing remedies. Do not submit to the dangerous mineral dosing commonly indulged in. Such treatment merely obscures the symptoms.

Varicocele Cured Without Cutting

The time was when every man afflicted with varicocele had no choice other than to allow the disease to go on undermining his power and health or submit to a surgical operation. Now he can choose a thorough cure by painless treatment. I cure varicocele in one week, and it is seldom necessary that the patient is detained from his business even a single day. My method is original with myself and is the only safe and successful treatment for varicocele ever devised.

Advice and Consultation Free

Come and have a private talk with me concerning your ailment. Even if you are not prepared to undergo treatment at this time, I can always give helpful suggestion to men who are diseased or weak. If you cannot come to Portland, write for particulars of my system of home treatment. Interesting literature and colored charts free if you will call.

My offices are open all day from 9 a. m. to 9 p. m., and on Sundays from 10 a. m. to 1 p. m.

ENFORCE FRUIT LAWS TO THE VERY LETTER

Linn County Orchardists United for Perfect Product—New Officers.

(Special Dispatch to The Journal.)

Albany, Or., Dec. 18. — At the last meeting of the Linn County Horticultural society officers were elected for the ensuing year as follows: President, H. Bryant; secretary and treasurer, F. M. Mitchell; vice-presidents, T. Grimes of Harrisburg, Ed Holloway of Brownsville; S. Z. Taylor of Halsey, John W. Pugh of Shedd, T. M. Munkers of Scio, M. C. Jenks of Tangent and Sol Lindley of Lebanon. The executive committee is to consist of the president, vice-presidents, E. C. Roberts of this city as chairman, with John McNeil, E. H. Rhodes, F. J. Peebler and A. Brownell. Delegates to the state convention to be held at Portland January 8, 9 and 10, are E. C. Roberts, S. G. Talla, J. B. Leatherman, A. Brownell, F. M. Mitchell, D. W. Rumbaugh, Ed Holloway, John McNeil, M. C. Jenks and M. L. Forster.

H. H. Hewitt of this city delivered an address on "Fruit." L. F. Reynolds of Salem spoke on "The Willamette Valley Apple," and Professor Lewis of the O. A. C. spoke on "Organization." These addresses were received with enthusiasm. Evidently from the interest shown the valley is entering a new era along the lines of the proper care of fruit and the successful combating of the pests that infest the orchards and trees of the valley. It was the sense of the meeting that Fruit Inspector E. C. Roberts inforce the fruit laws to the letter. No one is to be spared and every citizen obliged to conform to the requirements of the law in every detail.

The membership of the society has increased to 50 and is to be increased at the next meeting, the first Saturday in January.

ACTRESS SUES COUNTESS TO RECOVER HER JEWELS

(Journal Special Service.)

Paris, Dec. 18.—When Judge Ditte on next Wednesday decides the case of the creditors of Count Boni de Castellane, the mystery surrounding the jewels of the beautiful opera singer, Mademoiselle Nimidoff may be cleared up. Nimidoff used to know the count in the halcyon days before the countess obtained a divorce and before her eyes were opened to the queer doings of her little husband. Th count admired the beautiful jewels worn by the fair singer and intimated that he would like to buy them for the countess. Nimidoff was unwilling to sell at first, but the count's eloquence and his offer of a fancy price finally carried the day. Mademoiselle Nimidoff says that the count took her jewels one day and promised to pay her $30,000. Since that time she declares she has neither seen the jewels nor the money. Consequently she brought suit against the countess.
