

WILLIE STARTS THE NEW YEAR BY GETTING EVERYBODY INTO TROUBLE

Dear Tommy:—I made this horn for Keggie to blow on at our watch meeting New Year's Eve.

Bridget went wild over it, and wanted one to blow in the kitchen.

The ice man was to be there. I don't like him, so I put powdered charcoal in the one I gave her.

At midnight they all got ready, and at the stroke of 12 gave a great blast!

Say, Tommy, it was awful! I had got the horns mixed!

Yours sadly, WILLIE.
