

TOPEKA MARKETS

Trade is Not Very Heavy but inquires are Increasing from Eastern Dealers. OREGON PRODUCT HAS MUCH THE BEST DEMAND

One Sale Reported Near Grants Pass Around 15c - Leaders Around Trying to Get Options on Choice Goods at 14c a Pound. Principal market features today: Stock firm to up in hope. Much charge advance for eggs. Great strength in the market. All lines of fish show scarcity. Potato market holds very firm. Trade about normal situation.

While it is yet a trifle too early to speak of the coming crop of potatoes, the situation in the market is such that it is not too far from the truth to say that the potato crop of the year 1907 will be a long way toward establishing a new value. On account of the generally better harvest than last year, the potato crop of the year 1906 is being marketed at a lower price than the year 1905. This has resulted in pulling down the English average. Oregon Hops are the Best. All over the world Oregon hops are considered the best that can be produced for the general run of the brewing trade.
