DALLAS DEFEATS Y. M. C. A. FIVE

Collegians Outclassed Their Opponents in Every Department of the Game.

MULTNOMAH WILL PLAY DALLAS TEAM TONIGHT

Leaders in the Race for Basketball Honors Will Make Things Hum This Evening in the Club Gymnasium—Line Up of the Teams.

The Dallas college basketball team outclassed and outplayed the Y. M. C. A. team last evening to the tune of 23 to 10. The local lads were not in the game so far as class and scoring was concerned, as the collegians played with an accuracy and a snap that were well worth witnessing.

The contest was rougher than most football games. It is safe to say that if the rough work is not eliminated soon in basketball the rules committee will be requested to revise the playing code, so that the sport may be brought to the modest and gentlemanly plane of football.

In last night's match Umpire Winslow was too lenient in the first half, and as a consequence the players developed a strenuousness that would have made President Roosevelt green with envy. It required the severest kind of penalties in the opening of the second half to bring the big strong men down to the proper kind of playing.

In the first half Dallas scored 10 points, while the best that the locals could do was to register 3. In the second half the visitors added 13 more to their score, making the grand total of 23, a number not appreciated by the losers. The best that the locals could do was to secure 7 more in the second half making a total of 10 for the game. The lineup was:

Y. M. C. A.		Dallas.
Gates, Olney	G	Arnold
Young, Gordon	G	Morton
Forbes, McKenzie	C	Shaw
Russell	F	(capt.) Launer
Hartman (capt.)	F	Craven

Umpire—Walter Winslow.

Tonight's Match.

This evening there will be a great game of basketball at the Multnomah club's gymnasium when the two undefeated teams, Dallas college and the Multnomah club fives will contest for supremacy. The collegians have five straight victories to their credit, while the club men have four in their list. There can be no doubt about the splendid class that will be displayed in tonight's match. Here is the lineup of tonight's game:

M. A. A. C. Position.		Dallas.
Barton	G	Arnold
Allen	G	Morton
Bellinger	C	Shaw
Rasch	F	(capt.) Launer
Dent (capt.)	F	Craven

WILLAMETTE GIRLS WIN FROM THE ZENITHS

(Hearst News by Longest Leased Wire.)

The Willamette University basketball team invaded Portland last evening and defeated the Zeniths, who represent the Marshall-Wells Hardware company. The score was 19 to 2 in favor of the co-eds. The superiority of the visitors was due to the fact that they have been playing together for some time, while this was the Zenith's first attempt in a match game.

The players were:

Zeniths—Lois Alderson, Helen Thayer, Clara McGill, Anna O'Brien, Margaret McDonald, Agnes Lind, Sophie Huff.

Willamette—Anna Shepard, Alla Solomn, Maybel Magnus, Ruby Coryell, Stella Belkney.

MANY APPLICATIONS FOR NORTHWEST LEAGUE

(Special Dispatch to The Journal.)

Seattle, Jan. 26.—The Northwest Baseball league magnates met here yesterday in annual session and were so overwhelmed by applications from cities wishing membership in the organization that the gathering decided to consume 10 days in which to consider the matter. It is known that Seattle, Tacoma, Spokane, Butte, Grays Harbor and Vancouver, British Columbia, will be in the league.

Seattle was accepted in the league through its manager, D. H. Dugdale. Tacoma was formally presented with last year's pennant. The magnates are in session today.

SPORTING GOSSIP

Jack McCarthy has signed a Brooklyn contract for '07 and says he is good for .300 with the stick again next season.

* *

Quite a few who know a thing or two in baseball are of the opinion that the American league made a mistake when it dropped Milwaukee and retained Detroit. It is about a stand-off in population, but Milwaukee has Sunday ball, is only a short distance from Chicago and is known as a good patron of the national game.

* *

William Evans, known as "Wild Bill," will no longer stir them up in the Southern league. He will play the coming season in Springfield, Ohio, which means some excitement in the Central league.

* *

President Taylor of the Boston Americans has issued a statement in which he says that he will pay Robert Unglaub exactly the same salary as "Bob" received in the Tri-State league.

* *

Umpire Carpenter is not a selling plater but a silver plater in Rochester, N. Y. Be more careful next time.

* *

The P. O. M. league will employ pugilists to act as umpires and the instructions will be, "No rowdyism, if you have to lick every man in the league."

* *

The Indianapolis ball club would like to have the veteran Billy Clingman to cover short next season. Toledo has asked waivers on the old sport.

* *

With making pugilistic matches, running a hotel, dabbling in real estate, buying gold mines and writing a book, "Philadelphia Jack" O'Brien manages to keep pretty busy these days.

The program for the racing meeting to be given next June at Overland park, Denver, will include races for both harness and running horses.

DR. DRAKE WILL LEAD THE DRIVING CLUB

Annual Election of Officers Is Held and Important Business Is Transacted.

As forecasted in Wednesday's Journal, Dr. Emmet Drake was elected last night president of the Riverside Driving club at its annual meeting, held in the office of the Rural Spirit. The other officers were: Vice-president, Henry Drennen; secretary, Paul Dick; treasurer, Gus Rosenblatt. The report of the retiring officers showed the club to be in a flourishing condition. A discussion was held regarding a scheme to purchase ground suitable for a site where the club could build a home and also where the annual races would be held. The members feel that the club is financially able to undertake such a proposition and the following committee will look after the matter: Dr. Drake, J. M. Mann, M. D. Wisdom, A. C. Lohmire and W. Clark.

Retiring President A. H. Lohmire was presented with a pair of handsome elk-tooth cuff buttons as an evidence of the members' appreciation for his good work.

A preliminary game was played between the Y. M. C. A. juniors and the team from the Deaf Mutes' school, resulting in the score of 28 to 8 in favor of the former.

NEW YORK CATHOLICS PROTEST ACTS OF FRANCE

(Journal Special Service.)

New York, Jan. 26.—The various committees of the big mass meeting to be held tomorrow night at the Hippodrome, to protest against French spoliation, have completed all arrangements for what will undoubtedly be one of the greatest, if not the greatest, assemblage under Roman Catholic auspices held in New York in half a century. The meeting, while held under Roman Catholic auspices, will be addressed by some of the foremost public men in the country outside of that church. Every organization of Roman Catholics of all nationalities are taking an active interest in the meeting and will send big delegations to swell the ranks of the assemblage, which will renew its loyalty to the pope and Rome and adopt resolutions protesting against the recent occurrences in France under the present ministry.

AUTO SPEED KING BADLY HURT

Marriott Machine Speeding at Two Miles a Minute, Turns Several Somersaults.

CAR IS SMASHED INTO A THOUSAND PIECES

Steamer Was Going at Terrific Rate, When a Slight Lift in the Sand Caused It to Shoot Up in the Air—Yesterday's Summary.

(Journal Special Service.)

Ormond, Daytona Beach, Fla., Jan. 26.—The great speed king Fred A. Marriott came very nearly meeting his death yesterday during the automobile races. That Marriott was not killed instantly and mangled beyond recognition is the greatest miracle. He was speeding along in his cigar shaped steam racer in an endeavor to break the mile record. The machine struck a small ridge in the sand, which caused the car to shoot up in the air at a terrific clip, finally landing in a heap. Marriott tried to jump, but was found unconscious in the pile of wreckage. At first it was thought that he was killed, but upon examination it was found that no bones were broken and that he would soon be all right again. His left eye was badly torn and he may lose the sight of that organ.

Before the accident Marriott had made a mile in 29 2-5 seconds, 1 2-5 seconds slower than his record made last year.

The final races will be pulled off this afternoon.

Yesterday's Summary.

Six-mile match race—Won by I. Loughlin, 30 h. p. gasoline; time, 7:35 2-5. Second, R. M. Bond, 30 h. p. gasoline; time, 7:40 2-5.

Twelve-mile race—Won by Hutton, English, 20 h. p. gasoline; time, 13:13 2-5. Second, Stinson, 30 h. p. gasoline; time, 14:32 4-5.

Five-mile club championship—Won by Loughlin, 90 h. p. gasoline, handicap one minute six seconds; elapsed time, 10:16 2-5; corrected time, 8:08 2-5. Second, Bond, 30 h. p. gasoline handicap 50 seconds; elapsed time, 10:17 4-5; corrected time, 8:10 4-5. Third, Rose, 30 h. p. gasoline, handicap one minute 22 seconds; elapsed time, 10:38; corrected time, 8:47. Paine, scratch, finished last. In this event the "limit man" had a handicap of three minutes 14 seconds.

Mile trials—Marriott, 30 h. p. steam. First trial, 0:32 4-5; second trial, 0:29 4-5 (within 1 2-5 seconds of the world's record.) H. E. Rogers, 25 h. p. steam, 0:35; L. F. N. Baldwin, 30 h. p. steam, 0:42 4-5. (This is touring car world's record for the distance.)

Motor cycle race—William Ray, double cylinder, lowered world's mile two-cylinder motor record to 0:44 2-5.

KAISER AND PRINCE CELEBRATE TOGETHER

(Journal Special Service.)

Berlin, Jan. 26.—Seldom does it occur that two members of the same family have their birthday anniversaries come so closely together as is the case with Emperor William and his son, Prince Augustus William. The emperor will be 48 years old tomorrow, while Prince Augustus entered upon his twenty-first year today. The double anniversary was made an occasion for a happy family party and an exchange of greetings and presents at Potsdam. No date has yet been fixed for the wedding of Prince Augustus to Princess Alexandra Victoria of Schleswig-Holstein, though it is understood that the event will not long be postponed.

KELSO COULD THEN BECOME A SEAPORT

(Special Dispatch to The Journal.)

Kelso, Wash., Jan. 26.—Mayor Cagwin has received a telegram from Representative W. L. Jones in Washington, instructing him that Mr. Jones has secured a provision in the river and harbor bill for the survey of the Cowlits river as far as Castle Rock. Until the survey is made there is no chance of getting permanent improvements, but now that the survey is to be made, it opens the way for permanent improvements in the channel. There is now no reason why Kelso should not have a deep channel to the Columbia and then become a port for ocean shipping.

OCCUPATION TAX FOR PROFESSIONAL MEN, TOO

(Special Dispatch to The Journal.)

Aberdeen, Wash., Jan. 26.—By the provisions of the proposed occupation tax law, compiled by the police committee every kind of business that is not already taxed will have to pay in future, including professional men.

The Charming Woman

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires; neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. WOLVERINES HONOR THEIR NEW SENATOR

(Journal Special Service.)

Washington, D. C., Jan. 26.—Every son of the Wolverine state resident in the national capital, or at least every one who is a member of the Michigan state association, is expected to gather about the festal board at Rauscher's tonight to join in a celebration of the seventieth anniversary of the admission of their native commonwealth to the union. Incidentally the banquet will be in the nature of a celebration also of the election of William Alden Smith to the United States senate. The Michigan state association, under whose auspices the affair takes place, has been in continuous existence for over 50 years. The present president is Lucius E. Gridley, a brother of the late Captain Gridley of the United States navy, and Judge Benjamin A. Harlan of the interior department has been its secretary for many years.

KAISER VICTORIOUS IN GERMAN ELECTION

Berlin, Jan. 26.—The government won a victory in the general election for a new reichstag. The Liberal, Radical and Conservative parties, supporting Prince von Bulow's colonial policy, have won at least 20 seats. More important for the government than the success of its colonial plans, however, is the defeat administered to the Socialists, who will lose 17 or 18. They have lost especially in several large cities, among the places being Breslau, Halle, Madgeburg, Leipsig and Koenigsburg.

The Clerical Center party holds almost all of its former 100 seats, having lost one or two of the Poles in Silesia.

Men's Diseases Only

In Uncomplicated Cases
My Fee is Only
$10.00
You Can Pay When Cured

I have the largest practice because I invariably fulfill my promises

Success isn't attained at a bound. It is made up of many little triumphs. A large medical practice doesn't await the young physician at the college door. He must prove himself. He must work toward success day after day, doing well each day's tasks.

It has always been my rule to promise nothing that I am not absolutely certain of accomplishing. Realizing that no one physician can successfully undertake to cure all diseases, I entered special courses of study in preparation for my present work. For sixteen years I have been proving my ability and building my success. I have mastered, first the simpler diseases, then the serious complex and stubborn ones that others neither cure nor comprehend. I have confined my efforts to diseases of men exclusively, and there is no ailment belonging to this class that I cannot fully conquer. I make broad and definite claims. I tell men that I can cure them, even though others have failed. Jealous doctors have charged me with claiming too much. But, I ask, wherein have I failed to fulfill a promise? My practice is now fully twice that of any other specialist upon the Pacific coast treating men's diseases. It has grown to these dimensions because I have made promises and fulfilled them. Each cure I have effected is a triumph and a manifestation of skill that has had its part in the making of my success. Each day new cures are completed, and my present growth of practice is more rapid than ever before.

Consultation is free. If you are afflicted, consult me. You can rely upon what I tell you, and if I accept your case you can rest assured that a complete and permanent cure will follow my treatment.

All necessary X-Ray examinations are absolutely free to patients. My equipment for X-Ray work is the finest and most complete ever produced, and equally perfect results are not possible with an inferior apparatus.

All medicines are prepared from standardized drugs in my own private laboratory and are supplied to patients at actual cost.

"WEAKNESS."

To produce temporary activity of the functions in cases of so-called weakness is a simple matter, but to permanently restore strength and vigor is a problem that but few physicians have solved. I never treat for temporary effects. Under my system of treatment, every bit of improvement is a part of a permanent cure. Though other physicians have, through my success in effecting permanent cures, been convinced of the fact that prematureness, loss of power, etc., are but symptoms resulting from chronic inflammation or congestion in the prostate gland, none have as yet been able to duplicate my cures. My system of local treatment is the only effective means yet known for restoring the prostate to its normal state, which always results in full and complete return of strength and vigor. Such a cure is absolutely permanent, because the condition responsible for the functional disorder is entirely removed. It is the only kind of a cure a patient desires, and is the only kind of cure I will treat for.

I state nothing in my announcements but the straight, square truth. It will cost you nothing to call and talk over your case. You can find out all about your trouble and you can later arrange to begin treatment any time you like. My offices, comprising ten rooms, are the largest, most elegant and best equipped in the west.

BLOOD POISON

This disease is the most dreaded by all mankind; and its effects are known to be of the nature of an entire degenerative nature. Falling out of the hair, sores, ulcers, sore throat, even goes so far as to cause a diseased condition of the bones and tumors in the brain. If you of your own free will permit your condition to reach the advance stages, you have no one but yourself to blame, unless you have not received the proper medical attention, which is very often the case, and it is a fact that many so-called specialists give you an inferior treatment that only aggravates your case instead of curing you.

WEAKNESS

The weakening of the vital powers of man with its depressing effects upon his mental as well as physical body, not only unfits you for work, pleasure, society of your fellow-beings, but makes you despondent, loss of sleep, nervous, irritable and incompetent. These conditions will be rectified if you receive the proper care and treatment, building up the nervous system as well as the physical condition. Our treatment for the same is superior in every way to the common methods and we are the originators of such a treatment. The best is none too good for you, and why not have the best?
