"It would sound like I was the press agent," he said, "and no one would believe me. Better see it for yourself."

But there is one thing he always talks about, and that is his age. He is 67 years old and seems exceedingly proud of it. He spent a great many of those 67 years in the theatrical business FOR PORT LOS ANGELES and claims to be the only one in the world that has never been connected with an unsuccessful show.

Id Resurrected Steamer Gets All the Freight Her Capacity Will Stand and Departs at Early Morning Hour.

With an unsuccessful show, as ingred every letter he wrote, "Yours merrily, John R. Rogers," which is the merrily, John R. Rogers, "Which is the same that the same in the country as "Yours Merrily." He likes the name. Old Resurrected Steamer Gets All Has Traveled Soms.

Rogers has also traveled some in that He has made seven ours of the world, has made 14 voyages across the Pacific ocean and 98 across the Atlantic. He has visited Portland before, but it was 20 years ago, when the most important playhouse was where the Grand now stands.

bringing the fuel to this city. She is still receiving freight at Alinsworth The North Pacific Steamship company's steamer, George W. Eider, Cap-tain Jessen, got away for Port An-geles and way ports at 1 o'clock this morning. She was filled to the guards Lotta was a western woman, you know—born at Sacramento—and that ought to be interesting out here. Her friends, with freight, and the longshoremen did not get through londing her till 12:30 this morning. Most of her cargo consists of wheat and flour.

The Oriental liner Nicomedia is still in the harbor. She is short 200 tons of coal, and will have to remain here until train traffic is reestablished over the O. R. & N. company's lines. She shifted to the Albina dock this afternoon to take

"Yours Merrily" John R. Rogers is in Christmas, 1883. In order to beat us, town. He reached here last night in advance of McIntyre & Heath's production of "The Ham Tree," but positively Saturday before Christmas. In order to refused to talk of his show.

Saturday before Christmas. In order to save myself and our star. I engaged another theatre and started our perform-ance on September 4. She made good from the start, but we knew that our ss would be greatly affected who Lotta began.

Went to Jackson

"So I went to Jackson and talked with him about it. "You know," I said. 'that Lotta is the richest actress in America, and that she is the original of the type of which Palmer is only a copy, but you will not let those facts get out. It will put us down and out if you do."

"Jackson took the cork clear under. Next morning all London knew that Lotta was the richest of American actresses, and that she was the original of the type of which our star was only.

of the type of which our star was only a copy. He even went so far as to have those facts printed on his programs. "I immediately went to the newspa-pers and sought out the critics. What

will have the preference in London, money or art? I asked. They answered, 'Art, of course,' and it was in that way where the Grand now stands.

'I have a story that may interest you," he said. It's ancient history now, that we began to offset the effects of you," he said. It's ancient history now, to though there are, perhaps not a dozen persons in the world who know the art to such an extent that Lotta's enfacts. It is the story of Lotta's failure in London and Minnie Palmer's success. Inghts—she failed miserably.

'That only goes to show how the Lotta was a western woman, you know the contract of a great star—even the great-

career of a great star—even the great-est stars—may be dimmed by misman-agement. That is the real reason of and indeed thousands of her admirers, could never understand how she falled in London and Minnie Palmer succeeded. "The late Henry E. Abbey had engaged Harry Jackson to manage Lotta's the thought in confidence, there against money ing the gelection of a jury to try the \$20,000 damage suit of Katherine Huntsmanged Harry Jackson to manage Lotta's the would have been no doubt of her success in London.
