

### Celebrate Diamond Wedding

Mr. and Mrs. Jacob Mayer.

Today is an event of importance in the history of Mr. and Mrs. Jacob Mayer. Sixty years ago today Miss Mary Aurbach and Jacob Mayer, both of Germany, were married in New Orleans, and today they are celebrating their diamond wedding anniversary at the home of their eldest daughter, Mrs. Sol Hirsch, and with all the members of their family gathered about them.

Mr. and Mrs. Mayer are known to everyone in Portland, as there are few who have been active in the welfare of the city and state as long as they. In 1850 the family came to San Francisco by way of Panama and sailed on the "Sarah and Eliza," which was over 100 days in making the trip from the Isthmus. When a Boston vessel crossed their path Mr. Mayer gave all his money, \$500, for a barrel of sea-biscuits to relieve the sufferings of the prisoners.

In 1857 they came to Portland where they have since lived. Mr. Mayer first had a retail drug store on First street and in '65 opened the first exclusively wholesale drug store on the corner. In '75 he founded the partnership house of Fleischner, Mayer & Co., which has stood at the head of Portland business ever since.

Mr. Mayer has always been active in benevolent work and lodge circles. He is one of the highest ranking Masons of the Pacific northwest, and his fraternal connections are many and varied. He was grand master of the Grand Lodge of Oregon during 1888 and 1889, and for many years has been grand representative of the Grand Lodge of England, to which position he was elected in 1905 by the Prince of Wales, now King Edward of England. He is chairman and treasurer of the education board of the Grand Lodge of Oregon. In 1892 he became connected with the Masons on joining the Perfect Union Lodge No. 17 of San Francisco, and was afterward a member and for two years master of Lebanon lodge in the same city.

In Portland he is identified with Willamette lodge No. 2, Portland chapter No. 2, R. A. M.; Washington council No. 4, R. A. M.; Oregon lodge of Perfection No. 1; Ainsworth chapter, Rose Croix, No. 1; Multnomah Council of Kadosh No. 1; Oregon Consistory No. 1, Supreme Council of Jurisdiction, 33d degree, and Al Kader Temple, N. M. S.

Mr. Mayer is a charter member of the Oregon Historical association, a member of the Chamber of Commerce and Board of Trade, and was for many years president of the Masonic Building association. He founded the Hebrew Benevolent association of San Francisco and similar organizations here. He was the organizer and charter member of Congregation Temple Beth Israel of Portland.

Mrs. Sol Hirsch is to give a family dinner of 25 at her handsome home at Fifth and Jefferson streets tonight. The members of the party are Mr. and Mrs. Jacob Mayer and their daughters, Mrs. Sol Hirsch, Mrs. Oscar R. Meyer of New York, Mrs. Herman Zelig of San Francisco and Mrs. Moses Blum of San Francisco, with Mr. Meyer, Mr. Zelig and Mr. Blum; their son, Mark A. Meyer of New York, and their grandchildren, the Misses Ella, Hat and Clementine Hirsch and Sanford Hirsch, Alfred Zelig and James Blum. Others of the relatives present will be Mrs. Philip Selling, Mrs. Mayer's sister, Mrs. Selling, Mr. and Mrs. Benjamin Selling, their son and his wife, Mrs. M. Sichel, their daughter and Mr. Sichel, Samuel Selling, Miss Selling, Miss Lippitt and Mr. Garde, all of Oregon City, Mrs. A. Mayer of Portland and Rabbi Jonah F. Wise.

An informal reception will be given after dinner beginning at 9 o'clock, to which all Mr. and Mrs. Mayer's friends are invited at the Hirsch home. No cards have been sent out because the list of acquaintances and friends was too large, and it was wished that as many as possible should be present.

### \$1,000 AN ACRE IS THE PROFIT

Growers in Rogue River Valley Receive Rich Returns for Their Shipments.

### LONDON MARKET IS A VERY EAGER BUYER

Rogue River Fruit Growers' Union Makes Report of Most Successful Year in Its History—Shipped 815 Cars Apples and 90 Cars of Pears.

Medford, Or., March 16.—An example of what the owner of a small orchard can do in Rogue river valley are the recent returns of a carload of Newtown pippin apples shipped through the Rogue River Fruitgrowers' union for S. L. Bennett. Mr. Bennett received a check for \$1,360, net returns on the shipment. The apples were grown on an orchard of only 1 1/2 acres, a portion of which is comprised of only five-year-old trees. This returns are almost equivalent to \$1,000 an acre.

Mr. Bennett's orchard is located near Medford, and is but one of many small orchards in Rogue river valley that are bringing handsome returns, such returns being accomplished by due care and attention in cultivation, pruning and spraying. The apples were shipped to London.

Work of Association. In closing up its business and making a summary of work done for the past season, the Rogue River Fruitgrowers' union of Medford completed the most successful season in its history. The union shipped this season 815 cars of apples, 90 cars of pears and many cars of other fruit. The apples averaged 600 boxes to the car and the pears 500 boxes; the apples bringing average returns of \$8 per box and the pears \$15 per box, a total of \$500,000 for the two.

This past year about 300,000 new trees were set out in Rogue river valley, and the total acreage of apples and pears in Jackson county is now 90,000. Of varieties the Newtown leads among the apples, with Spitzenberg second. Among the pears the Bartlett leads, with the fancy Comice taking second place. The latter variety of pear can be successfully grown in Rogue river valley, and the orchardists with bearing trees are deriving handsome returns.

Most in the Union. Practically every orchardist in Rogue river valley is a member of the fruitgrowers' union, as it is providing an excellent medium through which to ship fruit. It gives the same opportunity to the small and the large grower. Membership in the union costs only \$4.50. Each member must hold at least one share of stock, and no one can hold more than five.

Shipments are made principally to New York. Many go direct to Liverpool and London. As the packing and shipping is done under the direction and inspection of the union's manager, and a certain standard is maintained, only first-class fruit is placed in the leading markets, and in this manner Rogue river apples and pears are attaining an excellent reputation, and are therefore demanding the highest prices.

### EAST SIDE SALE

Alder Street Corner at Union Avenue Sells for \$25,000. An important sale of real estate was made yesterday of the quarter block on East Alder and Union avenue for \$25,000. This sale will be looked upon with interest by holders of east side property, as it shows how rapidly values are rising in that section. This is just across the street from the property purchased last week by Mr. Rushlight for \$78,000. The buyer was H. W. Lemcke who contemplates improving it in the near future.

### NEW ELECTRIC LINE IN THE COEUR D'ALENES

(Special Dispatch to The Journal.) Post Falls, Idaho, March 16.—A large crew has begun clearing and grading for the Wallace electric line, which it is supposed will be connected with the inland railway, which passes through this city. Dirt is being moved rapidly on the right of way by the grading crew at Silver Beach, one mile east of Coeur d'Alene.
