## Women's Gloves

GLOVES THAT WILL STAND THE TEST OF DURABILITY.

It is of great importance to us to sell good gloves. Poor gloves never built a good business. Think how many women depend on this Glove Store for right sorts of gloves, and the number who do grow greater each year. If the gloves were not right—were not stylish, good-fitting, correct in shade and finish—in short, if the best gloves to be had at their several prices were not those at Roberts Bros.—our glove business would not keep on growing. Today's news is of several very special purchases, affording an excellent opportunity to procure your Easter glove wants at exceedingly low prices.
