

### GRIES BECAUSE LICENSE LOST

Wife of Keeper of Macadam Road Resort Pleads With Council Committee.

FEE NOT FORTHCOMING THOUGH NOTICE GIVEN

City's Collectors Closed Red House Friday and Though Mrs. Lindstrom Says There Were Many Calls Sunday No Business Was Done.

The first liquor license forfeited under the Gray law was that of John Lindstrom, proprietor of the Red House at 1319 Macadam road.

Lindstrom did not appear at the meeting of the committee. His wife was there, however, and she said he had been kept at home on account of a poisoned finger.

There was doubt as to whether the committee could stretch the law to such an extent as to permit the issuance of a new license to Lindstrom.

Officer McEachern said that Lindstrom had promised to pay his license on the 10th. The following day a telephone message was sent to him, and he made no answer.

"But he was blood poisoned and I came here to speak for him," said Mrs. Lindstrom. "He is a Swede and he doesn't talk very well."

"Can you pay the license today?" inquired Chairman Gray. "Why, no, not till next week."

Mrs. Lindstrom, after the report of the license officers had been presented, said she could pay the license, but her announcement came too late.

"Thank you," sobbed Mrs. Lindstrom as she left the committee room.

### AT THE STOCK THEATRES

"Northern Lights" at Star.

Western plays are unusually popular at this time, and Manager Allen of the Star must have realized this when he planned to offer "Northern Lights" at the Star this week.

The story of "Northern Lights" is laid in Montana and Wyoming and the period is that of the Custer massacre.

The northern light is the aurora borealis, which the Indians of the plains did not understand, and when they saw these strange lights in the heavens they took it as a warning against the whites and went on the warpath.

The piece is well staged and artistically presented.

### AT THE VAUDEVILLE THEATRES

Herbert's dogs are the headline feature of the Grand's bill this week and they give one of the most remarkable exhibitions that has ever been seen here.

Frank Cushman, styled "The Twentieth Century Minstrel," is the special added attraction and gives a good performance in the black face line.

Milwaukee Country Club. Eastern and California races. Take Sellwood and Oregon City cars at First and Alder.

### KELSO VALUES HER BASEBALL POSITION

Kelso, Wash., April 16.—Kelso people are much pleased with the arrangement whereby they are put on the baseball map. It is realized that the advertising incident to membership in the tri-city league will be of immense value to the town.

Mrs. Osborn on Dress. Extravagant dress is possible only to the comparatively few. The average woman is obliged to limit her wardrobe.

On the other hand, women lavishly equipped as to wardrobes are at one with their poorer sisters in recognizing the paramount importance of the every-day dress.

For rich and poor alike, the every-day dress is one's intimate, one's daily companion, and, as a class associate, demands careful selection.

In Housecleaning. Paint brushes can be cleaned by washing in hot soda water and soft soap.

### PEOPLE'S MARKET RATCHISE MAY FEEL EDGE OF COUNCIL'S AX

The franchise granted to the People's Market association was recommended for revocation by the council committee on judiciary yesterday afternoon.

The company rents the block from the city at \$100 a month. The block was to be used for nothing but market purposes.

MOTION MADE TO SELL JAIL AND BUILD COMBINED JAIL-HOSPITAL

The first definite steps in the way of the building of an emergency hospital were taken by the council committee on ways and means, when Chairman Wallace proposed that the present city jail be sold and a combined jail and hospital be built in the neighborhood of Park and Couch streets.

Mr. Wallace held the jail site at Second and Oak could be sold for \$60,000 to \$75,000. A new site, 100 by 100 feet, or twice as large as the present site, could be secured on Park street for \$30,000 or \$35,000.

Mr. Wallace said there were several sites on Park and West Park streets that could be secured at the figures named.

The matter was referred to the council. It will be the bill at the Star for the entire week.

"Across the Potomac" at Lyric. "Across the Potomac" is a play that deals with the romantic days of the civil war.

The play is attracting more than the usual amount of interest. The Lyric company is giving a really delightful production, which merits the patronage of the audience.

As the southern girl, whose heart is won by the federal captain, Miss Edith Garland is charming. The part is admirably interpreted and deserves special consideration.

### ELATED OVER THE GREAT SUCCESS OF REBUILDING SALE

John Dellar, the well and favorable known clothier at corner First and Tenth streets, began a terrific cut price on all goods throughout the entire establishment last Saturday, and to say that it was a grand success is putting it mild.

The Vaughn anti-pass ordinance fell by the wayside. Chairman Booth and Councilman Baker did not see any reason why they should be deprived of their constitutional rights to give passes to his friends to the Baker theatre.

Mr. Wallace said there were several sites on Park and West Park streets that could be secured at the figures named.
