HUNT CLUB HORSEMEN ENJOY A RARE CHÂSE

Mrs. Ambrose Gronin Wins Yesterday's Run in a Very Exciting Finish.

The Portland Hunt club members en joyed a splendid paper chase yester-day afternoon. The day was ideal for both horses and riders and the chase proved to be one of the most enjoyable of the entire season. The trail was laid by Mrs. S. C. Spencer and Mrs. F. G. Buffum and it was planned with rare judgment, affording the riders plenty of chances for taking the festive blinds and scaling the hazardous burdless.

The course was nearly six miles long and contained seven jumps. The start was made at Sandy road one-half a mile from Barr and the finish was on Sandy near West avenue. The run is was spectacular and exciting, six horses coming in neck and neck. When they crossed the wire Mrs. Ambrose Cronin on Johnnie was first. Miss Wrenn on Tom was second and John Chapman on Lady Myrtie was third. Those rode through: Mrs. J. O. Downing, Mrs. P. H. Blyth, Mrs. W. M. Wood, Mrs. A. M. Cronin, Miss S. B. Wrenn, E. M. Lasarus, H. H. Herdman, Frank Robertson, T. T. Strain, Ambrose Cronin, James Nicol, S. C. Kerr, Dr. A. W. Cumming, J. W. Chapman, Mr. Holder, Dr. Emmett Drake, Walter Bollmann, E. R. Eldridge, F. O. (Hearst News by Longest Leased Wire.)
San Francisco, April 27.—Bight-oared rowing got an awful setback today when the crews of the University of California, the University of Washington and Stanford university tried to row a two-mile race on Richardson's bay. The race did not finish because the boats were swamped and the swamping of these three boats was probably as dramatic an affair as ever happened in any line of sport.

as dramatic an affair as ever happened in any line of sport.
Stanford was lending by about a helf a longth with Washington pressing them hard. California was trailing about three lengths to the had when the California boat sank under the men and the Berkeley boys stopped rowing. The spectators hardly had time to say "Oh!" when the Stanford boat sank and in less than five seconds the Washington men were seen so se sitting in water, their boat disappearing from view.

He also reports the releasing of Leonard Brock, who signed a Brainard club contract. Brock was released upon his own request.

Manager Whitehead is having some little trouble keeping his team of bush-ers together. Newell and Johnson have left him temporarily and are playing in Colfaz, Idaho, and Catcher White has gone to Nampa, Idaho.

Rich Parrott leads the Tri-City league with the willow, his four hits out of five times up last Sunday at St. Johns did the trick.

Simpires and managers in the Tri-City league should anforce the rule which prohibits persons not in uniform from occupying a place on the players' benches or guthering around the field inside of the playing lines. Last Sun-day at Vaughn street the space back of the catcher and around the players' benches was overrun with small boys and parties not in uniform. Fans soon notice these things and remark about it.

Manager Brown of Astoria has signed Fifer, the big fellow from Fort Stev-ens, to help out on the slab. Fifer is a good man and will undoubtedly win his share of the games in Salmonville.

Manager Smith left this morning for Woodburn with his bunch of Cubs to play the first game with the Indians. Kruger and Street will do the twirling for the Cubs.

Charlie Moore had a Hittle bad luck at St. Johns last Sunday in the latter part of the game and the dainty Millipers jumped onto him for a big bunch of swats, when he wasn't looking.

Three thousand three hundred people attended the Tri-City league games last Sunday at Portland, St. Johns and Woodburn. Not bad, sh?

Ball, the hig California twirler for the Trunkmakers, was in pretty good form last Sunday and kept the hits well scattered.

Ash Houston of the Frakes team is bound to make one of the big minor leagues this season. He is striking the form of a big leaguer rapidly.

Van Nortwick leads his team in bat-ting thus far, although Brown is not far behind. Van was credited with a three-bagger in the Cub-Trunkmaker game. This was an arror; the drive was a clean two-bagger, but he was al-lowed to advance another base on ac-count of Magness letting the ball bound through his hands and feet to the fence.

No complaint was heard from any of the league umpires work last Sunday. Hugo Stebels has resigned from the regular umpire staff.

Manager Whitehead has secured one of the Parrotts from Newberg to help him win the pennant. This will make three Parrotts on the Milliner team.

One of the most exciting games played by the juvenile devotees of the mational game took place yesterday aft-amoon in the lot at Fourteenth and ernon is the lot at Fourteents and Washington streets when the St David's choir team defeated the Hawthorns Juniors ofter nine spirited innings. The score was 12 to 17 and the struggle for supremacy between the opposing nines was replete with innumerable sensational plays. The two clubs will meet again in the near future.

NINE NINETY RECORD

Interesting Events Held Yesterday Under Auspices of Pacific Athletic Association.

San Francisco, April 27. — A. A. Giarner succeeded today in his attempt to lower the world's record for 900 yards. He accomplished this feat at the state championship meet of the Pacific Athletic association, held on the Berkeley oval. He clipped the former mark of 2:04 2-5, held by Valentine of the New York Athletic club to 2:08 2-5. He ran in the 50-yard run, and after

mark of 2:04 3-5, held by Valentine of the New York Athletic club to 2:08 3-5. He ran in the 50-yard run, and after winning that went on 30 yards farther for the record.

The events of the day opened with the five-mile run, which soon developed into a race between Nelson, the English champion, and time. Nelson covered the first mile in the phenomenal time of 4:47, the two-mile pole was reached in 10:07, three-mile in 15:21, four-mile in 31:05 and he then finished in 28:12. Nelson clipped 2 minutes and 2 seconds from the previous record. King and Carda finished about 400 yards behind the champion.

Parsons, the southern California crack, covered the hundred yards in 10 flat in the first heat, and won the final in 10 1-5. The spectators were favorably impressed with the work of Parsons and by his style it is evident that he can cover the 100 in faster time than was accompilahed today. Neushaumer, the speedy litue sprinter from Hoitt's school, ran second, beating Gerhardt of the Olympia and Crossfields of University of California. The sharp turns at the corners of the track bothered Parsons in the 220, and he was not able to get up speed until the last 100 yards. He finished one second behind the coast record.

After winning the \$50-yard Giarner

Manager Whitehead has secured one of the Parrotts from Newberg to help him win the peanant. This will make three Parrotts on the Milliner team.

COLLEGE ELEVENS TO PLAY IN PORTLAND

Oregon and Idaho Will Meet This Season on the Multnomah Club Gridiron.

Captain Gordon C. Moores and Man igon football team were in the city yesterday, when provisional arrange-ments were made for the playing of the Oregon-idaho game in this city on October 28. Arrangements were made with the management of the Multnoman Amateur Athletic club toam whereby Multnomah field was secured for site above date. The Oregon-Idaho game is one or the most important games of the nerthwest each year. Lest year's game was played at Moacow, where Oregon won by a score of 12 to 0, the points being made by three place kicks by Moullen. This year's game between Oregon and Isaho promises to be closer than ever, and as both teams will be fighting hard for the college championship of the northwest, the contest will be one of the best of the year.

Oregon will lose four of her best men—Chandler, Fig., Latourette and Mo-Kinney—by graduation, but Captain Moores said last night that there will be no end of good material at the 'varsity next autumn, and that a strong team is assured.

team is assured.

The Idaho eleven will be captained by George Armstrong, '08, and coached/by J. G. Griffith, the man who has acted as head coach at Moscow since 1922. Only two of the Idaho players—Larson and Robertson—will graduate this year, so the sleven from the Gern state 'varsity will be composed of veterans. Idaho is noted for her fighting spirit and the high quality of her sportsmanship.

Football enthusissts of the Multnomah club and of the city generally will be glad to learn that one of the big college games of the northwest will be played in Portland. While Multnomah and Oregon are keen rivals on Thanksgiving day, the local clubmen will line up solidly behind Oregon in a game with an outside team.

Manager Keetly stated last evening that he had arranged games with Multnomah and Idaho. One or two sarly season games will also be arranged.

Ban Francisco. April 27.—The Commuters surely had their batting wardrobe with them this evering at Recreation perk. They walloped ashley out of the bex in the fourth inning and later took quite an saraest cloud or two at the delivery of Hees, who was sent in to fill the gap. The first real bombardment came in the fourth frame, with one man down. Hackett was slipped a saunter. Bigbee came through with his second two-bagger and "Tub" rolled in. M'ELWAIN MAKING **GOOD AT THIRD BASE**

G. M. McElwain, the clover player who made such a good showing in the Cub-Trunkmaker game last Sunday, is holding down the third station for the Cubs this year and for a novice infielder shows up with any of the local players in the same position. McElwain came here from Chicago two years ago and last season played the outfield on the Gun Co. and East Portland Grays teams. Last season his batting average for 21 games was 437 and fielding 305. While a resident of the Windy City he played left field for one of the fast city league teams and made a good reputation. "Mc" has a good whip and is fast on the bases.
