When you have once eaten Smith's meats you don't enjoy any other kind. After a meal on Smith's meats you have a healthy, well-fed feeling. We've made a hobby of scientific cleanliness, and it's easy to understand that our meats are very much fresher than those of small markets that don't do a fraction of our business.

### The Story of Table Queen Bread—Continued From Last Friday

The engine comes puffing with carloads of flour; Not a minute to lose—it must arrive on the hour! And this is the message the whistle screams As the smoke puffs out in great black streams, "Tis pleasant to hurry for Royal Bakery Bread. In every good feature 'Table Queen's' far ahead!"

#### How to Identify Table Queen Bread

LOOK FOR THE WORD **ROYAL** impressed in the bottom of each loaf. We do not use the gum label, as this is not in accord with our understanding of hygiene. Order "Table Queen" from your grocer and then see for yourself that the loaf he brings carries the "Royal" stamp. Table Queen contains the purest ingredients; made by expert cooks.

#### Very Tempting for Afternoon Teas

**RECIPE 4—ROYAL MACARONS:** Take one pound of selected Sicily almonds. Cook and peel them. Grind very fine until they are as smooth as butter. Then take one pound of dry granulated sugar, 4 to 5 egg whites, mix thoroughly. Let this stand over night. Mold into shape desired. Sprinkle with powdered sugar. Bake in moderate oven.
