#### FIELD SQUAD IS **OPEN TO TYROS**

Multnomah Club Members Afforded Fine Opportunity for Outdoor Training.

A notice was posted at the Multnomah club last night inviting members to join the track and field squad, which is to be trained throughout the season by Jack Members who have no exceptional

ability, or think they have not, will be welcomed on the squad as cordially as those who have already proved them-selves capable athletes. The "dub" will be given as much care and coaching as the crack. Those who wish to take advantage of the high-class coaching Jack King is sure to give are asked to register at the office or to address Chair-man Kerrigan of the track and field committee. Already 25 men have joined the squad and are seen on the field every

The track is to be put into fine shape before the end of the present week and there will be four weeks more in which to prepare for the handicap field day

# SothePeople MayKnow

The whys and wherefores do not interest as much as the actual facts, and facts are given in price quotations that mean the saving of much to many. Nevertheless, a reason for this price-pruning, right in the heart of the season, is in order, as you know by previous advertisements we are making alterations in our store which we were forced to make, consequently our front is being torn out, we have no window displays, no way only through the newspapers to tell you about our merchandise, which we are selling at 25, 30 and 40 per cent below competitors' prices. It is to your interest, Mr. Man, to see the Clothing, Hats, Shoes and Furnishing Goods at our store before thinking of buying elsewhere.

We can save you \$4.00 to \$10.00 on your Spring Suit, 75c to \$2.00 on your Shoes, \$1.00 to \$3.50 on Spring and Summer Hats, Panamas, etc.; 25 to 40 per cent on your Summer Underwear, Shirts, Hosiery and Neckwear, etc. Everything in our store except a few contract goods is radically reduced in price during this Alteration Sale, which is making new bargain history with the clothing trade in Portland.
