

PORTLAND WINS ONE MORE GAME

Takes First Game of Series From Oakland, Making Only Eight Victories So Far.

HOME RUN BY FIRST BASEMAN HELPS MOST

Score Is Four to One—First Triple Play of Season Is Neatly Executed by Casey and Carson—Only Three Hits Made Off Califf.

Portland, 4; Oakland, 1.
San Francisco, 6; Los Angeles, 1.

Standing of the Clubs.			
Won.	Lost.	P.C.	
Los Angeles	18	9	.668
Oakland	16	12	.562
San Francisco	17	14	.546
Portland	8	23	.258

San Francisco, May 8.—A home run by Carson in the second-inning of the first game of the series for the Beavers. Portland scored again in the fifth and still again in the sixth. Califf was easily touched for three safe hits and Oakland's lone score came in the second.

Portland pulled off the first triple play of the season in the seventh. With Bigbee and Haley at first and second, Devereaux knocked a liner to Casey. Pearl shot it to first and got it back again from Carson before Haley could get back.

Frisco 0 1 0 0 0 0 0 0 0 1 2
Los Angeles 0 0 0 0 0 0 0 0 0 0 0
Batteries—San Francisco, Ashley and Street; Los Angeles, Gray and Eager.

It has never been too easy for a cigar to win even limited success—and when one does become popular, it is pretty sure to be extra good value. But take a cigar like the Chancellor which won its first success over thirty years ago and which has since maintained its popularity against great competition—surely its superiority is unquestionably established.

Chancellor CIGAR

"Oldest and Best"

has for thirty years been the best product of an old established factory—one of the best made and most widely popular high grade cigars offered the public. Made in several sizes, sold at 2 for 25 cents, 3 for 25 cents and 10 cents straight. Every reliable dealer everywhere knows the Chancellor and carries it in stock—you can get it in any good cigar store.

The "Triangle A" merit mark stamped on every box of Chancellor Cigars is for the smoker an additional guarantee of superior value.

BASEBALL SQUAD OF THE PORTLAND HIGH SCHOOL

Upper Row, From Left to Right—W. Huston, third base; H. Jamison, short stop; L. Hickam, substitute; E. Shearer, catcher; T. Word, pitcher. Lower Row—H. Deady, right field; F. Brace, center field; J. Oakes (captain), second base; R. Duffy, substitute; J. Hughes, left field.

PREP SCHOOL BASEBALL AT MULTNOMAH TODAY

The Two Leading Nines in the Interscholastic League Contest for Supremacy.

Standing of Interscholastic Nines.

Team	Won.	Lost.	P.C.
Portland Academy	2	0	1.000
Portland High School	2	0	1.000
East Side High School	2	2	.500
Hill Military Academy	1	2	.333
Columbia University	1	2	.333
Allen Prep. School	0	2	.000

The Portland high school and the Portland academy, the two leading teams in the race for the interscholastic baseball championship, will meet on the Multnomah field for the first time this afternoon. Neither of the teams have so far been beaten this year and as it will be the first contest between the intense rivals the game should be a very warm one.

MULTNOMAH TO PLAY EUGENE THIRD TIME

A third game between the Multnomah club and the nine of the University of Oregon will be played on the Multnomah diamond next Saturday afternoon at 3 o'clock. Oregon won both the other games. Multnomah's lineup will be: Pitchers, Campbell, Morris and Newman; catcher, Stockton or Ringier; first base, Trowbridge; second base,

BURNS AND O'BRIEN TO BATTLE FOR CHAMPIONSHIP OF WORLD

(Journal Special Service.)
Los Angeles, May 8.—The betting on the Burns-O'Brien fight, which takes place here before the Pacific Athletic club tonight, is brisk, O'Brien continuing to rule an 8 to 10 favorite.

Battling Nelson arrived this morning and will be seen in O'Brien's corner tonight. Considerable Burns money is in sight and it is believed that the odds will shift before the men enter the ring. Both sides say there is no chance of there being any hitch. It is said that the pugilists have agreed to split the purse, which it is almost universally believed is less than the advertised sum of \$30,000. The advance sale of seats indicates a record-breaking house.

The fight is to be a 20-round go for the heavyweight championship of the world, but it is said that the men have agreed that if both are on their feet at the end of the twentieth they will battle several additional rounds, making it practically a finish fight. The men fight at catch weights, but they are nearly equal in weight, both tipping about 171 pounds.

CLASS OF DOGS TO BE SOME HIGHER THIS YEAR

All Local Cracks Are Entered and Pacific Coast Is Well Represented.

Entries for the coming annual bench show of the Portland Kennel club, Inc., which will be held commencing a week from today at the exposition building, are coming in satisfactorily and this year's show will have about the same number of dogs as was exhibited last year, while the class, if anything, will be a bit higher.

All the crack local dogs are entered and many entries have been received so far from Washington and British Columbia, and more are yet to come in by mail. The California entries have not yet come to hand, but it is known that about 35 dogs will come north from San Francisco and Los Angeles and other California cities.

Post entries are coming in today and will come in tomorrow also at the office of the acting secretary, Frank E. Watkins, 250 Alder street. Secretary Watkins held last night for Seattle with two of his fine fox terriers to compete at the Seattle show, which opens there today. Mr. E. T. Chase also went up with his two Boston, Ch. Sportsman and Easton's Christy. Besides these dogs Portland will be represented by J. Wesley Ladd's two grand red cockers, which went along with other local dogs last night.

It is a bit too early yet to give a list of the local entries, but as soon as the final entries are all in, which will be by the end of the week, a complete list will be published.

POWERS BLUES TO PLAY THE DALLES

Match of Amateur Nines at Coast League Grounds Sunday Afternoon.

The Powers Blues will hold the stage at Twenty-fourth and Vaughn streets again this Sunday afternoon. Their opponents will be the team which represents the Columbia Athletic club of The Dalles, and which is considered one of the best baseball aggregations in the state.

The Powers Blues in their game with the Northwest last Sunday rather opened the eyes of that part of the public which thought the professionals represented all the real ball tossing talent in the city of Portland. The smooth precision and splendid teamwork shown by the Blues in Sunday's game is only the result of their constant association on the ball field. The team is composed mainly of members of the old champion Maroons, strengthened, however, by additions from the cream of the Trunkmakers' talent.

Case Campbell pitched a remarkable game against the Northwest. He allowed but two hits, one of them a scratch; gave one base on balls and struck out 12. He was given the best of support by his teammates and particularly by Brock, his catcher.

Campbell and Brock will perform again next Sunday against The Dalles team and their work will be watched with interest.

COACH BEZDEK LEAVES UNIVERSITY OF OREGON

(Special Dispatch to The Journal.)
University of Oregon, Eugene, May 8.—The athletic council has refused to allow a raise of \$500 in the salary of Physical Director Bezdek, and as he will not consider anything less they elected George Frost, who coached Seattle high last year, coach for 1907. Frost will receive \$250, but will coach only football, while Bezdek did the work in the gymnasium, coached football, basketball and baseball successfully for \$1,500.

Frost, before he handled the Seattle high, coached the Texas institute. At the Seattle high he put out a team that beat Lick high and Chicago high and played the university to a 4 to 0 score. He is a graduate of Dartmouth.

TO CONTEST WITH INDIAN ATHLETES

Y. M. C. A. Track Men Are in Training for the Joint Meet—Tennis Notes.

The Y. M. C. A. track athletes are in training for a field day with the Chemawa Indians, which it is planned to hold on June 8, either at Salem or at the training school.

Among the association stalwarts are Burns and Rich, pole vaulters. Burns has already cleared 10 feet in practice and Rich has gone nearly as high. Backus, Sheets and Waterberg are doing the high jump. Backus has cleared 5 feet 4 inches. Weber and Wodaage will put the shot and J. J. Arbatnot will be one of the middle distance runners. Besides doing the high jump, Wetterberg will run in the 100-yard dash and the quarter mile.

The tennis courts at Columbia and Tenth streets are being put in condition and will be ready for play within a few days. The association expects to have a number of tournaments among its members this season.

The Paris Salon d'Automobile this coming fall will last 20 instead of 15 days, as heretofore, and will be illuminated in a manner that has not been equaled since the visit of the Russian emperor to Paris.

OAKS WILL HAVE BASEBALL PARK

Offer Is Made to Tri-City League and Probabilities Are Contract Will Be Signed.

NEW DIAMOND TO BE DONE IN THREE WEEKS

Committee Appointed at the League Meeting Last Night to Inquire Into Necessary Outlay—Outlaw League Talk Characterized as Hot Air.

Inside of three weeks a baseball park will be added to the attractions of the Oaks resort, if the calculations of the Tri-City league and the Portland Railway, Light & Power company do not go awry.

The company has passed the proposition up to the league, and the league has taken to the idea like a duck to a pond. At a meeting of the managers last night a committee was appointed to make an estimate of the cost that will be entailed and to report within a few days.

The company wants the ballplayers to stand the initial cost of preparing the grounds, but it promises to return the amount in free rent. While the company will undoubtedly be the biggest and the surest winner by the deal, the Tri-City people want a local ball park badly, and unless they find that the cost will be too great, they will accept the proposition in short order.

The league met last night with a full attendance of all the directors. F. J. Brown of Astoria, J. Stacey of Kelso, F. E. Goodell of St. Johns, C. W. Porter of Woodburn and all the four Portland managers were present. The resignations of two umpires, Ed Rankin and Frank Coleman of Woodburn were accepted. Ed Watts of Portland and C. T. Platt of Hubbard were elected to fill the vacancies. Treasurer Partlow offered his report for the month. It showed a comfortable balance in the treasury.

The talk about outlaw baseball in Portland next year is characterized by members of the board of directors "hot air." It is not impossible, they say, that next year there may be something of the kind, but there is absolutely nothing definite about it at this time.

The brewers and the Brainard Cubs will play a game next Saturday afternoon at the coast league grounds. This will be the last opportunity Portland fans will have to see the Tri-City perform before June.

It is reported that a Spokane organization similar to the Tri-City league is having phenomenal success. Last Sunday, though the Northwest league was playing in the town, the loser organization took in 1,800 paid admissions.

SHERIFF HUNTS THIEVES IN MERRY OLDSMOBILE

Or Rather in Thomas Forty—West Leads Way—Notes of the Auto World.

That the west leads the way in more than one thing is shown by the fact that the supervisors of Alameda county, California, have just bought a Thomas Forty touring car for the sheriff. The car will be used by him in the performance of his official duties, and it is not improbable that before the year is over tales of stirring hunts for fugitives from the law will begin to come in from Alameda county. The supervisors of the county became convinced that the automobile was a necessity for the sheriff through their use for two years of the Thomas Flyers owned by C. F. Horner, a member of the board. Mr. Horner has just bought a 1907 Flyer.

Dr. John Fitzgerald, superintendent of the Kings County hospital, Brooklyn, declares that the substitution of the motor ambulance for the horse-drawn vehicles is a great saving of money, time and life.

As an evidence of the demand for cars in Mexico, one American firm recently sent 68 cars in a single shipment to Mexico City.

More than 5,000 cars designed especially for the transportation of automobiles have been built by the railroads of the country within the past three years.

In Paris the automobile is now used by the municipality for collecting garbage, watering and sweeping streets, by the police and fire brigades, and as a hearse.

Gasoline costs twice as much at Paris as in this country, and the price is rising steadily.

"Mocars" is the odd but euphonious term now used by motorists in England and Scotland.

In Mexico most of the locomotive engineers and firemen wear motorists' goggles as a protection against dust.

Polo at Y. M. C. A.

A water polo game in the boys' department of the Y. M. C. A. last night was won by the business boys' class, which beat the intermediates 3 to 1. The line-up was: Intermediates—Forwards, Burdick and H. Pfander; half, W. Pfander; guards, H. Hale and Graham; goal, R. Hale. Business boys—Forwards, F. Anderson and Freeman; half, Latimer; guards, B. Anderson and Tibbets; goal, Penson.

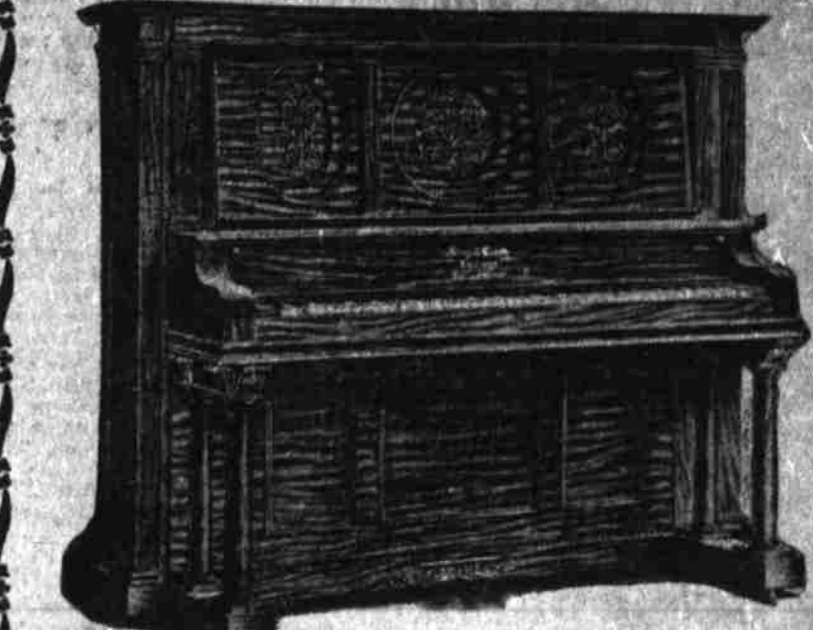

Torturing eczema spreads its burning area every day. Doan's Ointment quickly stops its spreading, instantly relieves the itching, cures it permanently. At any drug store.

Pay your west side gas bills before Friday, 4 p. m. Positively no discount after that day.
